

Scouts from troops B-7, B-12 and B-12 attended the annual spiritual rally for Catholic Scouts at Sacred Heart Seminary last Sunday, and an inspiring sight it was. (The rally, not the Birmingham delegation.) Over a thousand Scouts from the Detroit area attended, and all but a dozen or so were in uniform. The theme of the rally was "Scouts have a task set for them in the world of today," and gave one something to think about. Unfortunately, however, the breakfast provided did not take into account the 13th Scout Law (A Scout is Hungry). Conscious for their absence were the three Shaughnessy boys, Clarence, Bill, and Kenneth. For further details of this derivation, see the society page of this paper.

Troop Gets Chaplain
While we're on the subject of Catholic Scouting, troop B-12 has a chaplain at last. Fr. David Dunne, newly appointed pastor of Holy Name Parish, has appointed as chaplain Fr. Lawrence Hamd as assistant, who will have more time to give to the job. Fr. Dunne feels.

Firmen are Praised
Three cheers for the firmen! Their latest production to humanity has been the repair of an old truck for Camp George. Repair, that we say? Nay, they practically rebuilt the darn thing. From truck to truck, as the Sea Scouts would say. The firmen call it the "Great Six," because it is obvious that someone first shot (or kicked) it full of holes, then set fire to it, and then, belatedly, sank it. You'd never know it now, though. The canvas looks as new as though it had just come from the hardware store. Now if some kind person will tip the fire laddies off as the state of the other two camps at camp, we would be much obliged. One good turn deserves another, you know.

Who Knows?
A little girl who had learned her manners went to church and heard the minister preach a real sermon criticizing the Christians of the world for allowing the present condition to exist. "I don't think he should have said those things," the child told her mother. "There might have been a Christian present." — El Dorado Times.

City Will Keep Ancient Truck
Because the dealer did not demand the old truck in trade, City Manager Donald C. Egbert has bought a half-ton truck for \$184.95, he reported Monday night. It is of General Motors make. Egbert told the commission he had no money at the time. He had because the low bidder, International Truck, figured a trade in its price at \$182.

Lathrup Townsite News

Mrs. Fred Lucht, of Lathrup boulevard, again announces that she has linnetes all cut and ready to stitch for the destitute refugees in war-torn France, as well as wool with which to knit sleeveless sweaters, infant socks, and wool booties. If you will call Mrs. Lucht, Southfield 3617, you can get your supply.

Every woman in Lathrup Township will, it is hoped want to do her bit towards alleviating suffering brought about by war. Discarded clothing, sweaters, underwear, socks, shoes, anything wearable that you no longer need will be called for, or you may leave your bundles at the Community House, in Birmingham. (Canned goods of all kinds, particularly condensed milk are urgently needed.)

About 25 women responded to an appeal your writer put forth for this work, and on Wednesday morning they brought their boxed lunches, and tea and coffee were served at noon. We worked on infant layettes and much was accomplished. It was a very busy day and things will go on all during the summer. Anyone wishing to offer her home or garden for this worthy project will please call the writer.

John Freese, of Lathrup boulevard, spent the past week in New York. Mrs. Freese visiting friends at a cottage on Lake Erie.

William-Juergens Wedding
Of interest to Lathrup Township is the marriage of Harry Wailman, son of the Carl Wailman, of San Jose boulevard, to Betty Juergens, daughter of Mr. and Mrs. Fred Juergens, of Rosedale Park. The wedding took place at 4 o'clock Saturday. The bride chose her two sisters, Margaret and Phyllis as bridesmaids. The maid of honor was Dorothy Armstrong.

The best man was William Rhodes, of Pontiac. Four ushers were George Sanders, Roger Hardwick, George Sayre and Robert Winickie.

A reception following the ceremony was held at the Juergens residence, on Artesian road in Rosedale Park, after which the young couple motored to the Smoky Mountains for their honeymoon. They will be at home to their friends, on Woodlawn drive, after July 1.

Mrs. and Mrs. Guy S. Peppiatt, of Saratoga boulevard, gave a dinner Wednesday evening in honor of Mr. and Mrs. Denis Morvant, of Detroit, who were en route to New Orleans.

Mrs. Morvant sailed from New Orleans and ten years ago she gave Mrs. Peppiatt an oleander plant. It is now a hardy and beautiful specimen, and it is in full bud. The Peppiatts expected it would burst forth in glorious color in time for the dinner, as a fitting tribute to their guests. Alas, no amount of persuasion ever dissuaded Nature's perverse complacency. The plant is still in bud. The party is past. And the honor goes to their way to the land of sunshine and a thousand blooming oleanders.

Mrs. Charles Walker, of San Jose boulevard gave a party on Friday for 16 guests. Luncheon and bridge was the order of the day. Prize winners were Mrs. Edith Frederick, and Mrs. Wilfred Thompson.
