Television Nears Goal, Licking Worst Problems

TELEVISION seems about to turn a corner. The engineers are licking some of its most stubborn problems, there is now interest in it from a military viewpoint, and the Federal Communications Commission has set Sept. 1 as the date for the beginning of limited commercial operation.

Music Federation To Honor Movies

Musicians in the Hollywood studios felt a little slighted when last year's complement of "Oscars" were parceled out. Musicians, they thought, did not get adequate recognition. Now the National Federation of Musicians has stepped into the breach, and next year the makers, artists and arrangers of motion pictures will have Oscars all their own.

County Sportsmen Back Quarantine To Eliminate Rabies

Endorsing the dog quarantine law, which is now before the Michigan Legislature, sportsmen of the Michigan Association for the Control of Rabies have never been in contact with the rabies or a rabid dog, scolding at the laws and the regulations, demands some public recognition of this prevalent disease, which has cost Oakland County many thousands of dollars annually for the past six years and would suffer for hundreds of persons taking the "pasteurization" test.

Fire-Resistant Roof An Asset to House

Summertime is a good time to consider the installation of fire-resistant shingles on the house. They eliminate danger from flying chimney sparks and can be applied right over the old roof. Funds for this purpose may be obtained from qualified lending institutions under the Modernization Credit Plan of Federal Housing Administration.

Decorating and Furnishing

The interiors of small homes can represent a departure from convention, according to FHA officials. While extravagantly furnished interiors are well to the right of the question in this class of dwelling, they should be planned and decorated and furnished with definite reason and in a distinctive character.
