## **Groves and Mack**

H. Ross Mack is Vice President and Treasurer of a successful advertising agency. He was likewise successful in heading up the activity that resulted in new uniforms for our High School Band; and as Chairman of our Community House Drive.

Wylie Groves has lived in Birmingham nearly all his life. He's an engineering graduate from "Michigan," and for years has been a Planning Engineer with Detroit Edison. He has done a fine job as treasurer of the local Methodist Church.

Both these men are of high intelligence, and have proven themselves to be public spirited. Neither man has any axe to grind, nor the sponsorship of any organized group.

We've known Mack and Groves a long time. May we suggest you give them your vote?
