## Three Flags Chapter Hears Schwimmer

By LILLIAN DIEDERICH

Three Flags Chapter D. A. R. brought E. C. Schwimmer, big game hunter, fisherman, and lecturer to Lathrup school, Southfield road, March 8. Mr. Schwimmer showed his films of ancient New Mexico, Costa Rica, the land of lovely flowers, and unusual vegetation; Key West and deep sea fishing off the coast of Florida and trout fishing in the fast running streams of our own northern Michigan.

Mr. Schwimmer each year takes 100 underprivileged children to a camp in northern Ontario. The children are selected from groups in poverty stricken communities, recommended by clergymen and officials of the city.

He said some children come to camp in an emaciated condition; when they leave at the end of a month they are rounded out, have acquired a ruddy tan and seem to have a new lease on life.
