## 10-Week Program Now Completed; Review Is Made

Community House Saturday Club for children in the third, fourth and fifth grades held its tenth and last meeting of the season as an open house for parents and other friends, Saturday morning, in the Community House.

On the walls behind these exhibits were hung paintings and two large murals of winter sports, most of them notable for their fresh color and portrayal of action.

The monthly charge amounts to less than 3 cents a day; there is a small installation charge...
