B'ham Thinclads to Seek Fifth Class B Metropolitan Title at Belle Isle

Pontiac Tracksters Beaten 56-48 Here In Meet Friday

By WARNER FORSYTH
 Defending their title for the fourth consecutive year as Class B Metropolitan Champions, the Birmingham track squad will journey to Belle Isle Saturday morning and to seek its fifth title.

According to Franklin Whitney, track coach, the local thinclads should sweep through this meet. "The track squad of today," he is quoted as saying, "is rapidly rounding into a very well balanced group rapidly gaining power. I feel certain that before this season is over, records will be broken in the 440, the high and low hurdles, and the relay."

With this track squad, which has won all its meets this year, and a coach with that much confidence in his team, Birmingham will go a long way, students opine.

Carnival Nets \$180.62 for Track Fund

As the second carnival for the benefit of the Baldwin High School track fund was terminated Coach Franklin Whitney, instructor in athletics at the high school, announced that a profit of \$180.62 had been made.

"This second affair brought nearer the final payment on the new track at Pierce field.

An interesting contrast in tickets paid for at the event was brought out at the final accounting when it was shown the Bowers, operated by the senior class, made \$25 dollars while the Night Court brought in a total revenue of 40 cents.

Ray Prevo Fans 13 As Birmingham Beats Wayne 3-1

While Ray Prevo pitched his best game of the season, striking out 13 batters, Birmingham trounced Wayne High Tuesday afternoon 3 to 1. The contest was played away.

Prevo limited the opposition to three hits. Art Roudaue was behind the plate.

Wayne scored first, pushing a run across in the fourth inning. Prevo then settled down. Birmingham, meanwhile, scored two runs in the fifth inning and the final tally in the sixth.

DEARBORN WINS 5-2
 Last Friday at Springdale, Ted Corson got off to a wild start on the mound and permitted four runs to score. Kelley finished the game.

Bill Germain, who went the route for Dearborn, held the Maples to but two runs and five scattered hits.

Dearborn scored two runs each in the first and second innings. With men on second and third, a time to trouble, Kelley finished the game.

Birmingham broke the ice in its half of the second when Olson doubled and Jack Papan singled him home.

The Leafs' second and final run came in the fourth on a single by Bill Merrill and errors by Thomas and Wiseman.

Tuberculin Tests Given 308 Students

Tuberculin tests were given to 308 students at Baldwin High School, Monday, April 29, by Dr. George Sherman, from Oakland County Tuberculosis Sanatorium, as part of the public health program advanced by Miss Emma Christensen, school nurse.

The tests were given all day in the nurse's office and Dr. Sherman was assisted by Dr. Robert J. Mason of the Birmingham health department; Miss Blanche Breakey, city nurse; Dorothy Nelson, visiting nurse, and members of the Baldwin girls' club.

Track, Golf, Tennis Teams Competing at Ypsi, Friday

Tomorrow, Baldwin's track, golf, and tennis teams will journey to Ypsilanti to compete with Ypsilanti Central High School in their respective sports.

Coach Franklin Whitney takes the track team there for its third league meet. The tracksters will also run against Ypsi the next day in the Detroit invitational meet at Belle Isle. This meet was originally scheduled for June 14, but was moved up.

The golf squad, led by Bob Kendall, expects to win another Twin Valley League match.

The tennis team, Bud Stutte, captain, will meet Rochester there. The tracksters engage the Cranbrook squad May 10. Both teams have recently beaten Pontiac.

The baseball team plays Fernvale in another league game May 7.

 Tomorrow afternoon, Birmingham will move over to Ypsilanti with the track, golf, and tennis teams to compete at the track meet which will be at Ypsilanti.

Recently Plymouth beat River Rouge, champions of the Twin Valley League in baseball last year. Baldwin has already defeated Plymouth once this year.

Thus far the track team remains undefeated. Some of the baseball players compete at the track meets when there is no ball game. Among these are Sheldon Olson, Hugh Mack, and Dick Neely. Dick Kennedy, regular right fielder, is on the golf team.

Publication Committee at Baldwin is to continue the custom, started during basketball season, of ringing the bell at Hill School after every Baldwin victory. The bell will be rung for track and basketball wins.

After Ten Years, Coach Gets Letter

Who said, "Miracles can't happen here?" Even in Baldwin High School, great things seem to be happening.

Take, for instance, Franklin Whitney, the past ten years' basketball coach. He just got his first Baldwin letter, Tuesday!

The basketball team bought Mr. Whitney a jacket sweater with a basketball letter on it. On the left were the words "Coach" and the year "40."

He was so pleased he called a press conference and said, "You all have been so nice to me in Birmingham, and especially those boys who play basketball for me. I would like to take this opportunity to thank all of you very sincerely."

Puppet Show Closes Story Hour Series At Baldwin Library

A lively performance of the fairy tale play, "Rumpelstiltskin" in a puppet theatre brought the Baldwin Library story hour series to a gala close last Saturday.

The tiny stage, the puppet actors and the stage settings were the creation of Harry Mack, Nancy Reinhart and Jim Westroff, all Baldwin High School students.

The performance approached professional standards in smoothness and ease. Particularly delightful were the backdrops for the country scene and for the castle interiors. A spinning wheel that actually turned appeared in the famous gold-spinning scene, to the vast satisfaction of an audience of about 60 children.

The program closed with two dances, one by Pinocchio, the other by the Scarecrow from "The Wizard of Oz."

Assembly Club Puts on Show at Hamtramck

A very successful assembly was given in Hamtramck last Thursday, April 25, by the Assembly Club of Baldwin High School.

The performance was given three times to accommodate the large audience.

Those in the show were Bob Kendall and his orchestra; Faye Anderson, Marion Kirk, and Doris Franklin, dancers; Herbert Fleming and Mary Gardner, singers; Yvonne Thompson and Mildred Benscoter at the pianos; and three of the famous ensembles from the Swing Minstrel: Ethel Bengate, Gertrude Rogerson, and Ann Savage. David Thomas was the other endman, pairing with Ann Savage.

Ray H. Bechtold, principal of Baldwin High School, presided at the beginning of the performance.

Recently Hamtramck put on a program here.
