THIS is just between you and us This is just between you and us and this newspaper, so we can be both frank and honest.

Don't you really buy a car for what

Doesn't the big kick come from getting off the mark at the first tweet of the cop's whistle-winging up hills as though they weren't there-going through tough going with a "sowhat" indifference?

There's only one place in the world you can get such things-from a power plant that's up to its job.

But here's the interesting thing the new Buick proves: With enough power, you can have that flashing action-and economy too!

Our FIREBUL design and Compound Carburetion let us use a standard high gear that has the same economical result as so-called gas-saving

They step up mileage as much as 10% or 15%, wing you down the road at 50 on a 30-mile fuel diet.

They even make driving easier, since they give so much reserve power that you'll have less need for shifting gears, whether it's to top a hill or pick

our 1939 SPECIAL and the 1941 SPECIAL with Compound Carburetion.

We're not saving style and comfort and size don't count. We wouldn't have worked out "mass-stream" styling, BuiCoil Springing and Buick's new roominess if they didn't.

But when you can get these and pacesetter performance too-hadn't you better at least drive a Buick to find out about it?
