

Light Plymouth Team to Face Maples in Game Here Friday

League Contest Starts At 3 p. m. At Pierce Field

By ALLEN JONES.
Having experienced a generally bad season, Plymouth gridders will play Birmingham tomorrow at Pierce Field in another league game. Time is 3 p. m.

Having a team average of but 155 pounds the Plymouth crew boasts a powerful triple threat man in the person of Backer, the fullback.

The Plymouth line will consist of Polom at center with right guard, Bridger, left guard, Birgo, right tackle, Nielson, left tackle, Stout, right end, Carmel, left end, Session, right half, Norman, left half, Gettle, quarterback, Hertz, fullback, Backer.

The Birmingham lineup will once again star Watts at center, Ballard, left guard, Kennedy, right guard, Neely, left tackle, Garfield, right tackle, Lee, right end, Hord, left half, Mack, right half, Merrill, fullback, Armstrong, quarterback.

Coch Warrter was quite disappointed with the game last Friday night but feels that the boys will be back full strength before the game with Plymouth.

Plymouth at times has showed punch and last week upset Clawson's 11-game winning streak.

State, county, or municipal zoos, parks or game preserves may obtain a limited number of buffalo, elk, and moose deer from the federal government's winter ranges, for propagation or exhibition, at the cost of capturing, crating and transporting. The animals are surplus stock on national wildlife refuges.

Join the throng competing in the Eccentric Football Forecaster contest every week.

Lions to Meet Chicago Bears Next

Only two members of the 1933 Chicago Bears survive on the great Bears' squad which, this year, figures to bring Chicago its first professional football championship in eight years. The Bears will meet the Detroit Lions this Sunday at U. of D. Stadium in Detroit.

Veterans of the championship Bears team of 1933 still in active service are "Automatic Jack" Mandors, fullback and field goal kicker par excellence; and George Musso, 270 pound guard.

Mandors was 31 years old last January and the "Moose" was 30 in April. Both "tak tak" the idea they are growing old, despite their status as Chicago Bear patriachs.

Preparing themselves for the time when they will be of legal voting age, the students of Baldwin High School participated in a mock election at the Municipal Building last Friday, Nov. 1.

Voting machines were used and strict polling regulations were observed.

Merrill Wilkie was elected president by a ratio of almost three to one over Roosevelt.

The Republicans also took all of the other offices with one exception. Murray D. Van Wagoner defeated Gov. Luren D. Dickinson, 109 to 95.

Ernest R. Boyles was elected Justice of the Supreme Court; Arthur F. Moore, Judge of Probate; and Maurice F. Cole and Verne C. Hampton, Circuit Court Commissioners.

A "yes" vote was recorded for the four state proposals and the two City of Birmingham questions. Because of the bad weather there were only 214 voters.

Helen Rounds, Betty Both, Gene Richardson, Jim Lee, and Bill Roberts, of the high school civics class, were in charge of the election. Paul Dunn was chairman of the committee.

Only two members of the 1933 Chicago Bears survive on the great Bears' squad which, this year, figures to bring Chicago its first professional football championship in eight years. The Bears will meet the Detroit Lions this Sunday at U. of D. Stadium in Detroit.

Lots of Mud, But Little Glory in Ferndale Game

By DICK GILBERT
Completed a 22-yard touchdown pass late in the fourth quarter, Ferndale High School's football team came from behind to spoil Birmingham's clean slate by gaining a 6-6 tie in the mud last Friday night at Jefferson Field, Ferndale.

Birmingham's only score came in the last two minutes of the half on a quarterback sneak by Joe Armstrong.

Playing under the lights, Ferndale, always a thorn in the side of Birmingham teams, outtroughed the Maroons continually in the second half and threatened many times before the Maroons fourth down pass was successful.

Crane Stars
The mainstay of the Ferndale cause, was A. J. Crane, who, with Welsh and Reid, did most of the running and passing.

Dick Neely led the local line and personally wallowed through the mud, while the Maroons' line, led by Tommie Smith, smashed some feeble Railplitter to the seeping terrain. In the backfield Hugh Mack and Bill Hopkins covered themselves with mud and glory.

With a freezing wind sweeping across the field to add to the players' handicap and the game only minutes old, Birmingham made their first serious threat when Mack, Merrill and Hopkins collaborated to produce four first downs on six plays before being stopped by Birmingham's line.

From there, Ferndale made two first downs and was allowed to punt just as the quarter ended.

Early in the second quarter, after a 13-yard holding penalty had set them back, Birmingham's line, led by Mack, completed a beautiful 28-yard pass to midfield.

Conversion Blocked
With Mack carrying the ball on five out of seven plays, Birmingham marched to the three yard line. On third down on a trick "check signal" play, Joe Armstrong dove over center from the two-foot line for Birmingham's all-important six points. Unfortunately, Paul Kelley's usually successful conversion was blocked, probably due to the wet ball.

Two plays later, the gun sounded the end of the half with Birmingham leading 6-0.

The second half was an entirely different story. Taking a punt on its own 45, Ferndale drove to a first down on the Maroons' 41. Stopped at this point, Crane booted a beautiful punt out of bounds on the two yard line. Standing dangerously in his end zone, Hopkins kicked nicely out to his own 30, protecting the Leafs' slim one-touchdown margin.

Taking the ball on practically every play and working behind four man interference, Crane carried the ball to the eight yard line at which point he missed a first down by inches as the quarter ended.

School Counselor To Serve Evenings

Lloyd G. Chapman's office at Baldwin High School will be open every Monday evening from now on from 7:30 to 9:30.

This is to give all out-of-school youths the opportunity to discuss occupational information, to take vocational tests, and to take a new aptitude test.

It will also enable parents to discuss with Mr. Chapman the activities of their children in school.

Microphone Plays Given At School

The public speaking class and the Junior High School Radio Guild presented "Edgar Allan Poe" and "The Headless Horseman of Sleepy Hollow," respectively, for Baldwin School, Tuesday, Oct. 24.

The two plays were very well received. The different pitch in the voices made it easy to distinguish them.

The sound effects were handled by Philip Swanson, Walter Hoge and Ralph Lee. Dale Clements took charge of the public address system and records.

Those who took part in the "Edgar Allan Poe" play were: Louis Hagopian, Edgar Allen Poe; Virginia Bell, Mrs. Clemp; Robert Wing, narrator; and Robert Falberg and Jack Steinhilber, publishers.

In "The Headless Horseman of Sleepy Hollow" the following cast played: Barbara Fox, Katrina Wallace Roy, neighbor; Clayton Gordon, schoolmaster; Robert Allen, Bram Bomer; and Ralph Lee, Mr. Van Tassel.

The class and guild are under the direction of Mrs. Geraldine G. Powell.

Group Guidance Program Planned

The purpose of the new group guidance program for Baldwin High School, of which Lloyd G. Chapman is in charge, is to provide certain information of educational nature which will be included in regular academic courses.

The program will also eliminate the activity period on Wednesday which was being wasted by some students.

Information on various occupations and colleges, and how to build personality will be included in the program.

In the sophomore year, the chief interest will be organization, and to lay a foundation for programs in the eleventh and twelfth grades. The junior year will be devoted to the development of personality.

College information and knowledge on certain occupations in the business world will be the program in the senior year.

The subject matter will not be the same, however, throughout the year. There will be a variety of other things, such as Christmas planning.

Plan Festivities At Noon Hour

A noon hour committee has been chosen by the Student Congress to entertain the students at lunch hour.

Newell Wright is chairman, and he is assisted by Harry Burke, room 113; John Gillespie, room 222; Marvell Jean Mettore, room 17; Bob Murray, room 12; Pat Williams, room 10; and Marie Rassein, room 110.

The committee was selected especially to get the different home room suggestions. It was unanimously voted that there should be dancing and ping pong again this year.

Those who took part in the "Edgar Allan Poe" play were: Louis Hagopian, Edgar Allen Poe; Virginia Bell, Mrs. Clemp; Robert Wing, narrator; and Robert Falberg and Jack Steinhilber, publishers.

In "The Headless Horseman of Sleepy Hollow" the following cast played: Barbara Fox, Katrina Wallace Roy, neighbor; Clayton Gordon, schoolmaster; Robert Allen, Bram Bomer; and Ralph Lee, Mr. Van Tassel.

The class and guild are under the direction of Mrs. Geraldine G. Powell.

Royal Oak Programs Are Being Prepared; Frank O'Toole Editor

The printed football program for the Thanksgiving game with Royal Oak to be played here this year, Nov. 21, will be of sale at Baldwin High School Wednesday, Nov. 20, and also at Pierce Field before and during the game.

The editor is Frank O'Toole. Associate editors are Albert Hirsch and Leah Davison.

Approximately 1,500 copies will be printed and will go on sale at 10 cents each.

The staff for the program consists of Carol Watts, Bruce Carey, Jean Ann Heimiller, Sue Averill, Mary Ellen Haack, Margaret Stanton, High Craig, Emily Knapp and Pat Kennedy. Harold Roy is advertising manager.

Sally Carey, head of photography reported today that the program will contain a picture of both coaches, the team captains for that day, and pictures of the respective teams.

Food Classes Sell Jelly to Teachers

To earn money for their needs, the foods classes of Baldwin High School sold jams and jellies made this fall to the teachers of the school. Twenty-eight and three quarters pints were sold, totaling about five dollars. The sale was managed by Marvel Jean McGill.

Did you buy YOUR car on "Millinery"?

You hear it said often nowadays that it's millinery that sells automobiles.

All right—let's put it up to one who knows. Did you buy your car on nick-nacks, trick devices, novelties?

We don't think so.

We believe that while considering style, and room, and comfort—you really picked your car on what it would do on the road!

Now, we take our hats off to no car for being smarter-looking than Buick. We'll match our product against any for room, for appointments, for finish, for the comfort of its all-coil springing and the safety of its Body by Fisher.

But beyond all that, we challenge the whole field to equal Buick on its downright all-round performance ability.

On its power—on its pull—on its pick-up—on its easy handling (including freedom from shifting)—yes, and on its thrift.

Nowhere will you find a car that does so much so well and so frugally—and we invite you to find that out for yourself.

You'll find novelties in the new

Buicks of course, but they're not the chief attraction. Instead you'll see the two big basic engineering developments of the year—FIREBALL design and Compound Carburetion.

They give you an automobile that packs a real thrill—and if that means more to you than superficialities, better come in and learn more about it.

BUICK PRICES BEGIN AT \$935
for the Business Coupe
delivered at Flint, Mich. State tax, optional equipment and accessories—extra. Prices subject to change without notice.
