

IN THE BEST INTERESTS OF GOOD GOVERNMENT YOU ARE URGED TO VOTE REPUBLICAN

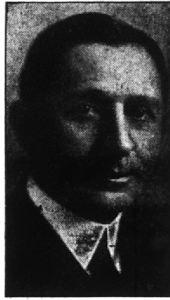

Wendell L. Willkie

This election is, beyond doubt, one of the most important in the annals of American history. Present conditions justify the overwhelming demand of the public for real efficiency, strict economy and straightforward honest conduct of the Government's business, whether it be county, State or national.

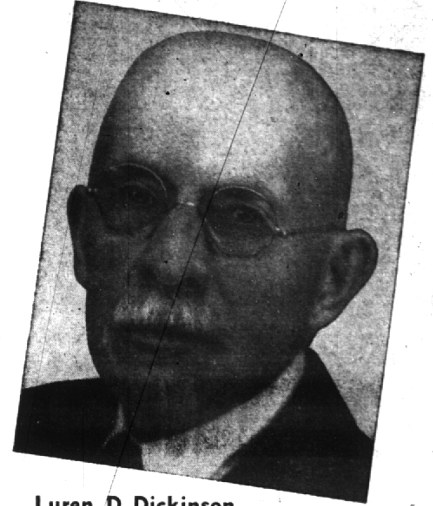

This group of high-minded, patriotic American citizens have proved their sincerity of purpose and ability to administer public business a strictly impartial and economical manner and to the best interest of all concerned.

They publicly pledge themselves to the interests of good government. Your vote for these men will be a vote for real efficiency and economy and a continuance of government of, for and by the people.
