Huge Tulsa Team To Face U. of D.

By E. A. Batchelor, Sr.
DETROIT—Probably the biggest college football team that ever stepped on a Detroit gridiron will be seen here next Saturday, Nov. 2, when the University of Detroit Titans entertain the Tulsa Golden Hurricane. There are nine men weighing better than 200 pounds on the Tulsa squad, and 11 others who top 190. Beside these giants, the Titans, who are themselves a good-sized team, will look like a troupe of Singer's Midgets.

puffed against Detroit four times but it never has been able to hold hard enough to get the winning end of the score. It always has been tough for Detroit, but in the end superior speed and fitness have overcame brawn. This alliance started in 1928 when Detroit won 19 to 14, in a game played in blazing heat. The following year it was a little easier for the Titans, who were on top 21 to 6. After a lapse of nine years, Tulsa came to Detroit in 1938 and found itself unable to cope with the Titans' passes, the score this time being 39 to 14. Last season the game was another tough one and the Titans had to be at their very best to win 16 to 7.

HERE ARE THE RULES
For the Football Forecasters' Contest

1. Each week The Eccentric will print a ballot listing 14 or more games to be played Saturday or Sunday, mostly college, but a few professional and high school games.
2. On the ballot, make an X check for each game, either for a winner or a check in the tie column. Do not guess scores.
3. Clip the ballot, fill in your name and address, and bring or mail to this office by NOON Saturday. Entries brought in or post-marked after that time will not be accepted. In case of ties, the entry which reached our office first will be declared the winner.

The contest is open to everyone not employed by this newspaper. The winner will be notified by phone or mail as soon as his identity is established, and his or her name will also be published each Thursday.

THE PRIZE THIS WEEK will be two reserved-seat tickets to the Michigan-Northwestern game, Nov. 16, PLUS prizes announced by the merchants in their ads totaling \$13 in value!

Miss Beaven Wins
Last week, as readers already know, Miss Iris Beaven, 948 Benaville, came through with flying colors to win the most clear-cut victory achieved thus far in the contest. Miss Beaven missed only two games; no one did as well, so there were no ties. She chose the Huron State over Santa Clara, and so blame no one for that! After all, a scoresheet tie is a tough one to pack. Her second error was that of calling the Har-

Two Barnum students, Lee Dalton and Robert Morrow, have had oil paintings displayed in the school show cases. Lee painted romantic Western scenes while Robert prefers folk and stream and countryside. Both show considerable promise.
