KEEP Your

Summer Health

Vitemin preparations taken regularly will help you

Mamin preparations, taxen regularly, will nell you maintain that vibrant good health you built beneath the summer sun. They assure a reliable source of sunshine Vitamin D throughout the long months when

you cannot acquire it in the natural way! In addition, they supply Vitamin A which builds resistance to infec-tion. We feature the preparations of reputable phar-

maceutical houses, nationally known for the quality and dependability of their products.

Inarticulate, yes-though at the same time exceedingly eloquent! This is a paradox attributable to LaBelle Wedding Gifts, for from the first glance at their beautifully appropriate wrappings (always a perfect setting for the gift within) to their being shown to the world on the wedding day, then afterwards withdrawn into the infimacy of the 'new life" together-all along, both immediately and for years ahead, LaBelle Gifts are a constant expression of the deep-from-the-heart hope of the giver that the bride and groom will be blessed with a supreme happiness.
