#### Sickness and Accident Insurance For Business and Professional Women

Business and Professional Women

A century old prejudice against women as iskness and accident risks is the latest exaulty in the national defense program.

For the first time, women in business and industry are placed on the same footing as men in a new salary and hospital protection plan announced today by the Continental Casualty Company, according to Clars Stewart, local representative Company, according to Clars Stewart, local representative professional and the same professio
