Polygon Quintet Wins First Game In YMCA League

Polygon Club clinched up its first victory of the season in the M. C. A. Basketball League and did so by upsetting Boys' Club in a thrilling contest, 28 to 20, scoring the tie-breaking goal in the whole lot.

The Birmingham Athletic Club-Milks game was also full of thrills with the latter scoring 29 to 26.

Raymond, Polygon center, proved the expert play of the team setting up most of the points and collecting seven field goals for fourteen points himself. In this game, Doug Lusk, left guard, led and held it throughout the first three periods, the rest at the end of the third quarter being 27-25 in their favor. Polygon lost on a last quarter drive that overcame this lead and at the whole blow, Raymond's final shot and through for the winning two points.

Milks had plenty of trouble taking their contest with B. J. C. The first quarter ended 4 to 5 to and Milks' went ahead 12-11 at the half. They stretched 24-18 at 10-15 in the third period and maintained this three point lead to the end with the score being 29-25. Ed Miller, Milks' forward, led his team in scoring with 12 points.

Tonight's contests will start at 7:30 with Polygon meeting B. A. C., the second game being between Milks' and Boys' Club. These contests should pack a lot of punch as Polygon will be out to reverse a former defeat by B. A. C. and Boys' Club is credited with the best chance of any league team to upset the powerful Milks' quintet.
