

Pierce St. Zoning Change Dropped

Proposed rezoning of Pierce street was dropped by the city commission Monday night. Eight petitions appeared to oppose the change, which would permit two-family dwellings on the street from Lincoln to 10th St. The commission was advised by the city engineer that the change would be a hardship on the property owners. The city engineer also pointed out that the property was not zoned for residential use.

From the Women's Angle

By NELLIE HURLEY BONFIE

This business of the women's angle is a thing which has been going on for a long time. It is a thing which has been going on for a long time.

In the last analysis the fear of age is a thing which has been going on for a long time. It is a thing which has been going on for a long time.

Complex as it would be to discuss the male of the species in the last analysis, it would be a thing which has been going on for a long time.

He would, I feel sure, agree with the women's angle. It is a thing which has been going on for a long time.

These articles are women's own desire. It is a thing which has been going on for a long time.

And yet it is a thing which has been going on for a long time. It is a thing which has been going on for a long time.
