5 o'clock Whistle Unique Title Chosen For Sorority Dance

We can't tell yet, for it sounds as if these Cranbrook girls have something in the air. Or haven't you heard?

It's the Five O'Clock Whistle. In case you're still in the dark, we'll tell you that's the name of the "skirt and sweater dance" these girls are planning to give at the Community House from nine until the wee hours Saturday, March 8. The Five O'Clock Whistle, if you're not keeping up on your jive and jazz, is also the name of one of the very popular jive hits. We can only hope that the young ladies don't get in trouble with the ASCAP.

Dorothy Ann Dyer is general chairman of the evening, and Shirley Trump is handling the publicity. Decorations, which already have been spoken highly of to many a local taxpayer, are to be one of the highlights of the occasion. The young ladies have to keep these a secret however.

He had a big heart . . . .

IN THE days of early Rome, when Christians were tossed to the lions for the entertainment of the multitudes, there lived a kindly bishop by the name of Valentine . . . Valentine was greatly loved because of his big heart. He placed baskets of food on the doorsteps of the needy without sign or word from whom they came. St. Valentine was martyred in Rome on February 14, 270. He has been dead almost two thousand years, but the Valentine Spirit, symbolized by the sign of the heart, has come down through the ages.

When you remember your friends this Valentines Day, let only appropriate Valentines carry your message.
