

Birmingham Basketrears Play at Hazel Park Friday Evening

Hope to Snap Out of Slump Suffered in Ford Contest

Among the tough games for the Birmingham basketrears will be the Hazel Park contest which will meet Birmingham at the Parkers' home court Friday night. The best games of the year.

Hazel Park heads into the second semester with all last year's honors in the line-up, which the starting lineup will consist of thirty players who have worked together from junior high school days.

Potential threats to the possible Maple victory are Al Green and Jack Scott, a pair of swift guards and long range artists.

To date Birmingham has maintained six victories out of a possible eight while Hazel Park has won with three defeats and four victories. East Detroit, whom the Matrons will meet Feb. 21, rank among the Parkers' victories.

The Maples are looking forward to the game as an opportunity of coming out of a slump which it is hoped was its worst in the Hazel Park contest in which the Matrons met a 22-19 defeat.

Coach Giebel, of Hazel Park, believes "if my boys are right, it will be some game."

Coach Whitney refused to comment himself.

Weakness on Fouts Costs Birmingham Henry Ford Game

Birmingham suffered its second basketball setback of the season Friday night when it was defeated by a high-spirited Henry Ford team 19-22.

In the last three minutes of the fourth quarter, Birmingham stood the crowd on its feet when it brought the score from 15-22 to 19-22 with but 25 seconds of playing time left.

With but 25 seconds to execute this plan, Kelly took his foul shot and missed and the ball was put into play with but two seconds left.

With the final gun, Birmingham was four minutes short of a victory and so suffered its second defeat of the season and first one in four years from Henry Ford.

The first quarter was very slow with the Cardinals leading 4-2 at the end. In the second quarter the score changed frequently with the Maples on top at the half 10-8.

During the last three minutes of the fourth quarter Birmingham led the Cardinals by six points and the Cardinals' six-point lead was broken by Birmingham's four-point lead in the "hot" quarters near 16-12.
