27 years. Mr. Marks, too, is not a native of the United States, his original home having been in Australia. He came to the United States, quite by chance, on a visit to Grand Rapids one summer, and he had to wait for a ship to return to his home in Australia. He has since been in the United States for some time.

99 1/2 Per Cent Collected

Personal taxes—those listed in 1940 on machinery and stocks of companies—have been 99 1/2 per cent collected. Treasurer Harold Gorton, in his report to the Commission last night.

4 O'CLOCK, every Wednesday is the deadline for turning in your classified "Want Ads."

Sense of Direction

Missing around as she did in her childhood, Miss Terry developed a remarkable sense of direction. She could find her way through the most labyrinthine streets of Detroit.
