

# Two All-Star Teams To Play Contest Next Tuesday Evening

## Reveal Rosters Of Squads Headed By Brown, Dayner

By JACK RIGDEN

Thirty selected players from the Birmingham softball league will swing into action in the first annual All-Star softball game at the new Pierce Field baseball diamond Tuesday evening promptly 8 o'clock.

Plans for the game were based on the same system used by the two leagues in promoting their annual All-Star classic. Players were chosen by the seven managers and three umpires.

Bob Brown, manager of the Babcock-Salisbury team and Bill Dayner, sponsor of Dayner's Market team, are to be the opposing managers. Each well deserved his position. Brown has done an excellent job in heading Babcock this year and Dayner has been one of the most ardent sponsors for the past three years.

**Brown's Team**  
Brown will have as members of his team the following players: catchers, Scotty Gowans, Babcock-Salisbury, and Lenny Libarda, Dayner's; pitchers, Art Ronsau, Babcock and George LaCharity, Dayner's; first base, Duke Poter, Dayner; second base, Jimmie Bell, Babcock; shortstop, Derek Bolton, Babcock; third base, Bob Thompson, S. O. Wylie; left fielder, Dick Green, Dayner's.

As outfielders Brown will have under his control Vin Hibel, Mortimer's; Lefty Grambeau, Bell's; and Paul Kelley, Babcock-Salisbury. As utility players Bill Lawson, Mortimer's; Dave Kennedy, Gulf Fuel Oil; and Henry Therrian, Babcock will all see action.

**Dayner's Squad**  
Bill Dayner will manage an equally capable squad of players, as follows: Tiny Forester, Bell's; and Chuck Allen, Ladd's Service; pitchers, Ray McBride, Bell's and Ken Kirby, Gulf Fuel Oil. The infield will have "Old" Olson, Gulf Fuel Oil, first base; Kenny Hunt, Bell's, second base; Carl Thompson, Babcock-Salisbury, third base; Bill Bedard, Dayner's, shortstop; and Ray Preve, Bell's, short fielder. In the outfield will be Motie Webb, Babcock-Salisbury; Murrice Germann, Dayner's; and Al Harris,

Dayner's. As utility men Jim Wade, Stevens' Service, Richard Johnson, Babcock-Salisbury; and work in league games. Bell's will see action.

These two teams appear to be evenly matched and a good, close game seems to be in the air.

**Donkey Game Later**  
This game will officially inaugurate the newly built Pierce Field stadium and will be followed by a donkey game under the lights between these same two teams in the Pierce football field.

The All-Star softball game is without cost to the public and it is hoped that a large crowd will be on hand for the game. There is, however, a slight charge for the donkey game.

Plans at present seem to indicate that the uniforms of Babcock-Salisbury and Dayner's Market will be used in the game to give the desired effect.

The umpires for the game, Walter Morgan, Nick Piersou, James LeBow and Paul McQuarrie, have been chosen for their outstanding work in league games this year. The local Recreation Commission has expressed its sincere appreciation.

Babcock-Salisbury and S. O. Wylie Bell received eight places on the two squads. Dayner's six, and Mortimer's six. Mortimer's three each, and Stevens' Service and Ladd's Service, two each.

**STATISTICALS**  
The Probate Court of the county of Oakland, in and for the county of Oakland, do hereby certify that the following is a true and correct copy of the will of the late J. W. Woodard, deceased, as filed in said county on the 15th day of July, 1938.

**AT MID-DAY**  
Brown's squad will be in the field at 8 o'clock. The game will be broadcast on the radio by WJLA.

## Bell's to Meet Babcock Team Friday Night in Potentially Hard Contest

As the softball teams pass the halfway mark in the schedule, it is becoming more and more evident that a dog fight to the finish is due for first and fourth place on the standings.

Dayner's Market is at present holding a one-game margin over the second-place Babcock-Salisbury team. Last Wednesday they were handed their first defeat by S. O. Wylie Bell team at Torrey Field. Wylie Bell team at Torrey Field, 17-8 and Monday evening at Barnum barely were able to nose out a greatly improved Ladd's Service team, 10-9 with a four-run rally in the seventh and final inning.

Tomorrow night should do much to clarify the league standings when second-place Bell's take a crack at Babcock-Salisbury at Barnum, in what should be a real hot contest.

The first time these two teams met, it developed into the best game of the year with Art Ronsau and Everett Hemmerly knocking in a tight pitcher's battle.

**Knocking on Wood**  
(Continued from Page 4, Part 2) plain Springfield-style anything in that direction, emergency. Now the British are not only in the air and it is practically certain Hitler will not try an invasion this time, but they are also in the air. ## Why It Is Hard To Do Business With the Germans

By LINDO MOORE

Now that the business with Hitler is the dominant title of Douglas Miller's book recently added to the Babcock Library. The author gives his reasons to the above statement, and with admirable restraint, pointing out that he is not a Nazi sympathizer and political methods are hard to follow. From 1925 to 1933 he was commercial attaché in Berlin. His official position brought him into contact with the German government and with some of the most prominent officials and statesmen of the Third Reich.

He writes America that understanding with Hitler and the Nazi party can never be arrived at on any other basis than one furthering the German ideal of world domination. A timely and thought-provoking book.
