

Don't you believe that acquainting your neighbors with facts about damages their children do to your property is the correct thing to do? Many parents do not know how their youngsters act away from home.

He Stands for SAFETY and FREEDOM

Every time you see the Minute Man—emblem of American arming for defense—think how good it is to live in a land where there still is liberty to defend. Think, too, how you can help. Let the Minute Man remind you to do your part.

A MESSAGE TO YOU...

Defense Savings Bonds and Stamps give us all a way to take a direct part in building the defenses of our country—an American way to find the billions needed for National Defense.

The United States is today, as it has always been, the best investment in the world. This is an opportunity for each citizen to buy a share in America.
