Frankly, we've never seen such great cars at such low prices. This new low-price Nash is a car with the soul of a champion. It's a full 7 1/2 feet long with a wheelbase of five feet wide and it's powered with a brand new "Living Steel" engine that'll push it from 0 to 50 miles an hour in 12 seconds, high gear. Live up to all this size and performance with over 300 miles on a gallon of gas. And that's not all... not by a long way. It's safer, smoother-riding, easier-handling than any other car in its class. It's the only low-priced car with any body-frame construction and all springs on all four wheels. Take us on an invitation to stop a driving test. See all these new features that can't be any other car at the price. Get the "Go-ahead" high class car of your present car for the best deal in town.

THE HEADLINE NEWS OF 1934 CARS. 25 to 30 Miles per Gallon of Gasoline! Flashing Police New "Flying Ice" Engine! Roomier than 1930 Cars Costing up to \$2000 More!
