

YMCA Basketball League Will Close Season Tonight

The final games on the Y. M. C. A. Basketball League schedule will be played in Baldwin gymnasium tonight, when Boys' Club meets Birmingham Athletic Club at 7:30 o'clock, followed by the Mills Service Polygon Club game at 8:30.

The B. A. C. Boys' Club game promises to be a thrilling contest as both of these teams lay a fast pace when at their best. Mills should have little difficulty with the Polygon quintet, but at a previous meeting of these teams, Polygon trilled them but a few points at the final whistle blow.

Last week's contest saw B. A. C. an easy winner over Polygon 40 to 21, with Raymond McBroid leading the victors in scoring with eight field goals and one free shot for 17 points.

BIGGER SALES FOR used car lots

by means of **LIGHT!**

A dark, gloomy used car lot only detracts from the appearance of the cars but makes selling difficult. A bright, well-lighted lot, on the other hand, radiates cheerfulness and invites confidence. You are invited to use the services of our Lighting Staff without charge. Call any Detroit Edison office.

Diamonds Do Heavy Duty Jobs for Rock Drillers

Here is a collection of diamond drill bits (top photo) with a few loose diamonds. This bit (lower left) will drill a core from a dam for engineers to study. Drill wear is shown by bright magnifying glass (lower right) to check alignment.

Team	Won	Lost	Pct.
Mills	8	0	1.000
B. A. C.	3	2	.600
Boys' Club	2	6	.250
Polygon Club	1	7	.125

Damp Basements Can Be Stopped

Dampness in the basement and undesirable odors resulting from dampness may be eliminated through proper ventilation, according to the Federal Housing Administration.

Basement windows often must be placed partially or almost entirely below the ground level and outside air is used to obtain the desired natural light and ventilation.

Brick, poured concrete, concrete blocks, and corrugated galvanized steel sheets may be used for above-grade walls. When built of masonry, area walls should be eight inches thick. When concrete is used, the walls may be six inches thick.

UNCLE SAM'S diamonds for industry would not create envy in the heart of industry. They are black, or are chips smaller than 1/2 of a carat in size. The Bureau of Reclamation serve an important function in the construction of great irrigation dams.

Obituary

Walter W. Wilson
Funeral services for Walter W. Wilson, of 191 Martin street, will be held at 2:30 p. m. at St. Joseph's hospital, west of Birmingham, Friday, March 15.

Richard W. Yeats
Funeral services will be held Monday at 2:30 p. m. at the William R. Hamilton company, Detroit, for Richard W. Yeats, of Greasey Pointe, former resident of Bloomfield Hills. Burial was in Woodlawn cemetery.

Plan House Work For Leisure Time

Do you ever voice the complaint, "I have no leisure time after my work is done?" The answer is to plan your house work on a schedule. The first step is to plan your house work on a schedule.

Time yourself in the performance of each household task, and then draw up a schedule of daily, weekly and monthly duties. First you'll have a plan to follow, including the location of things, including dusting, making beds, etc.

A suggestion that will save you time and trouble is to clean the house from top to bottom. Start with the ceiling, then the walls, then the floor.

Says Selfridge Planes Disturb His Turkeys

SELFRIDGE FIELD, Mich.—Turkey bossing the lake through shore between the Army Air Corps base at Selfridge Field and Spring Lake near Oscoda are exceedingly distressed by national defense activities these days, and they're not biting out income tax returns, either.

"When these low-flying pursuit planes come over our barnyard, my turkeys get up an awful racket, clucking, making noise, and take to the air in defiance of their owners' orders," said E. J. Selfridge, field officer in charge of the area.

Setting cages are filled and newly hatched turkeys suffer from the absence of the ground beneath their feet. They think the aerial traffic is the enemy and start to peck at the ground.

The Complete Gardener

(Editor's note—Bird life is one of the interests of the Birmingham Farm and Garden Association. The contributions of the members from a wide range of the Birmingham branches, Mrs. Elmer Wolfing.)

Was it a bird that sang?—Was it the sparrow that twittered? Or silvery water that tinkled? Thomas Walsh

Nature is a garden and Nature in the wild area is unity. They are one. He looks upon the whole country in springtime as a spacious garden to be admired by all, and he goes as many secret visits to a patch of clover as to his own prize.
