

Lathrup Townsite News

by LILLIAN DIEDERICH

Mr. and Mrs. Lee R. Baker, of Bloomfield hills, will leave this week end for a trip to Natchez and the New Orleans area. Mr. and Mrs. W. C. Lang, of Lebanon, Ill., will accompany them. A highlight of the southern tour will come at each town which the Bakers and Langs plan in making a two day pilgrimage of more than 40 lovely gardens at the height of their early Spring beauty.

The group has organized the club in order to open to the public the beautiful old homes, some of which were never completed.

Mr. and Mrs. Charles Rank, of Oak Park, Ill., visited their parents, the James Porters, last weekend. Young Clifford Porter wrote home that he had been acquainted with the members immediately after docking, but that he is now in excellent health in excellent company in an excellent land of sunshine and flowers.

Mrs. Lee R. Baker of Bloomfield hills, entertained eight guests on Friday, Lathrup and bridge was the center of the day.

Mrs. David B. Redwood and son, Norton, of San Quentin drive, left Friday for a month of sunshine in California. Mr. Redwood plans on driving down the last two weeks.

The John Dierckens drive, in his car, to a rumput round on Friday night, although ten guests seemed to enjoy it. Fish and chips—poker chips we should say was the offering.

Mrs. Howard Stock, of San Quentin boulevard, will take her entertaining Lathrup Bridge Club on March 20.

Mr. Earl Doig, of San Diego boulevard, was hostess on Tuesday to eight Lathrup neighbors, at a bridge luncheon.

Three Flags Chapter, D. A. R., gave its annual dessert party on Monday afternoon. One of the largest bridge groups over to congregate in Lathrup was there, all respondent in Spring fury; due, no doubt, to the warm sunny day.

Mrs. Earl D. Loomis, of California drive, will leave for Canada on March 25. Mrs. L. W. Loomis, of Lathrup, will drive her at the wheel. The two plan on stopping off at all points of interest including the Carlsbad Caverns, Grand Canyon, Boulder

Have You Got \$30

IF YOU CAN afford to spend another \$30 this year, then you can easily afford to drive a Cadillac—even if you are now driving a car built especially for thrifit. Because that's actually all the extra it costs for gas per year as compared with the most economical cars built today! Owners report 14 to 17 miles per gallon, negligible service costs, and unmatched oil economy. So why not drive the finest?
