Announce Judges Showup 4 For Essay Contest

By BOB CRAIG

Judges have been changed for the annual patriotic easy centest speniesed by the VFW Auxiliary and an Vine Eccuritic because two of the second patriotic easy centest was an interest of the second patriotic easy. Judges is the second patriotic easy, Judges is the second patriotic easy, Judges is the second patriotic easy, Judges is the second patriotic easy to be a second patriotic easy to be a second patriotic easy to be a second patriotic easy. Judges is the second patriotic easy to be a second patriotic easy t

Eight Balls of Fire

I really too had you can't see what goes on inside the sparkling big Buick FREBALL straight-eight engine

There you'd see eight busy cylinders, with pistons flashing up and down. ...
You'd see each fuel charge packed tight into a tiny bundle shaped ake a flatteled ball...
You'd see the spark bush, the flame spread, the piston thrust down with extra force as each furious fireball lets to its pent-up' wallop—as yast as thirty times a second in each cylinder.

Gasoline gives up more of its power when it's packed as tightly as it is here.

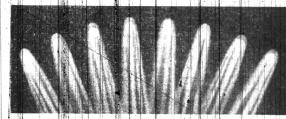

That special, flattined-ball shape of the compressed fuel charge means smoother, better burning full focus of the power on the piston head, where it counts

So when you've gottese eight balls of fire working busily under the bonnet, you really travel! travel! You travel farther on every gallen and you

travel more pleasurably.

You travel-but, shipks! Why listen to talk when there's a Buick dealer nearby waiting to show you how you travel behind a FIREBALL?

and how they can travel!
