

Engel Calls Up Distance Runners

The announcement that Coach Engel intends to review cross-country teams was welcome news to Michigan students this week. Already his call has received response from a number of students.

Mr. Engel said his reasons for the effort were to encourage more boys to come out for sports and to build up Baldwin's chances in the district events on the cinder track this spring.

The distance event will be two miles across country. Coach Engel will lay out the course and the meet will be held on Monday, Oct. 1, at 4 p.m.

He plans to have meets scheduled only during October. Letters have been sent to ten different schools asking them to cooperate.

Baldwin's prospective harriers who have been invited are Lawrence, Michigan, Eugene, H. Dick Morrison, Bob Moody, Jack Hippie, Douglas Groves, Bob Haisted, Stan Peterson, Jack Steelman, Harry Lee and Fred Karsberg.

Expectations Good At University of Detroit

By E. A. Batchelder, Sr.

In spite of the vagaries of graduation, the Army draft and scholastic difficulties, the University of Detroit will have enough promising football players to make an excellent team.

For the time it opens the season against Indiana U. on Sept. 27. In fact, Head Coach Charles E. Art, who has had a record of 19 wins and 10 losses, may even be a little better than the 1940 eleven, particularly in offense speed and versatility. That, of course, doesn't mean that it is going to be very effective. So long as Arthur B. "Bud" Boerner is coaching the life, it is a safe bet that the Titans won't get much of a passing around on the field.

Purchasers of the Student Association tickets are to benefit from the ten cents head tax of the Student Congress. Free admission will be given to holders of Student Association cards.

Only holders of these cards, which may be purchased for 25 cents, will be admitted to high school assemblies. Tickets for school assemblies are to spend assembly time in study hall.

For once in my life I have gotten really close to the south. Our battery is made up of 80 percent Negroes, most of whom are Negroes.

It is interesting to hear their views on the North and our talk.

They are a bit hot-tempered, but some of the crusades guys I have ever seen are.

Today applications for 2nd lieutenant were passed on.

Every one is welcome to try for a commission, I think I will go and take a look at the commissioning.

Just a "hush private."
