CABLE REPAIRMEN are used to tackling tough and unexpected jobs. They're ready to work night and day to restore cables to review

THEY KNOW EMERGENCIES

The men and women of this company are accustomed to emergencies. For storm, flood and fire are foes that strike without warning. Of incessity, our people always are organized so an emergency basis.

Whatever war may bring, the experience gained in such emergencies by this telephone army will prove invaluable in

Material shortages and feer conservation orders make it impossible in some instances to supply telephone service as in the past. White every permissible effort, will be made to satisfy public requests, was demands copic first.

Getting Service that Conserves Your Car?

Come in for service by Authorized Factory-trained Mechanics who know how to make

cars last longer

THERE'S a big difference between servicing a car and conserving it. The first simply takes care of

needed matters - the second attends to them in a way that prolongs car-life.

For example-now's the time to change to spring and summer oil and lubricants. But if you want longest car-life, it's also the time to check up on motor efficiency, gas mileage, wheel alignment, clutch and brake condition. battery condition and general

Buick Spring Servicing includes many of those things
- then goes farther.

Your Car by showing its exact condition, and uncovering any special attention it may need in the near future.

Why not get Spring Servicing that includes this EXTRA safeguard of long
