Two intensive Red Cross Courses will be given in Oakland County the week of May 4, according to Byron Webb, Chapter Chairman, when Theodore G. Albee, first aid and water safety field representative will visit the Oakland County Chapter.

A water safety instructors' course will begin Monday, May 4 at 7 o'clock in the Royal Oak High School pool. These classes are available to individuals who have attended the preliminary courses which have been given recently in the Royal Oak and Pontiac High School pools and also to wafer safety instructors who wish to be reauthorized.

Canteen Class Holds Last Meeting Today

Today is the last meeting of the Canteen Course being sponsored by the Oakland County American Red Cross, and for this meeting the women are to prepare and serve, out of doors, an emergency meal. Chairman of the day is Mrs. Palmer E. Shelton, and assisting her are Mrs. Edward Laird, Mrs. Russell Nowlen, and Mrs. John W. Gillette. The meeting will be held at the picnic grounds at Kingswood School. Following the luncheon, the class will resume in the Kingswood auditorium, to hear a talk by Mrs. Shelton. At the close of the class, Mrs. Karl D. Bailey, county nutrition chairman, will present the graduating class, as it were, to Mrs. Lyman Craig, canteen chairman for the county.

4014 is Telephone Number of New Defense Center

Idea of the week is to make a note of the new telephone number of the new Defense Service Center, 4014, on your telephone pad so that it will always be handy. The center is being conducted by the A. W. V. S. at 121 Pierce street to serve the public by disseminating defense information and contributing the assistance of its large staff of workers to local defense projects. Call between 9 a. m. and 1 p.m., or 2 to 5:30 p. m.

Amateur Would Plant Radishes in Circle

Gardens, gardens, gardens—seems as though most everyone in Birmingham will have a victory garden this year. A friend called us this week telling an amusing, but avowedly true, story about a new gardener. It seems that our friend had gone shopping that morning with a young bride out buying things for her first garden. Once in the seed store, the bride asked for the kind of radish seed that grows in bunches—"you like you get in stores," she said. After much hilarity, with the bride still looking puzzled, the clerk asked her to explain what she meant. It seems that she thought that radishes should be planted in little circles, then when they grew you merely tied a string around them and pulled up a whole bunch, "just like you get in stores"!

A. A. U. W. to Furnish Day Room At Selfridge Field

Last week we carried a story about the work done by Mrs. F. H. Harvey and Mrs. Harry Hans, in the furnishing of a day room over at Selfridge Field. This week we are more than happy to reveal that the Birmingham Branch of the American Association of University Women has taken over the project of furnishing another room, Selfridge Field, you know, has eight day rooms for the men, and the one just fixed up by Mrs. Harvey and Mrs. Hans last week is the only one that is furnished.

Mrs. Glen M. Davis is in charge of the project for A. A. U. W., and assisting her are Mrs. H. D. McLoose, Mrs. Ralph Sweet, Mrs. Stuart Gastrell, Mrs. Merle P. Bailey, Mrs. William H. Jackson, Mrs. Ray A. Palmer, Mrs. Sheldon Wright, Mrs. George Mayo, Mrs. T. W. Eustis, and Mrs. Karl Bailey.

Anyone having furniture, rugs, or drapes to spare, who would like to help out, should call either Mrs. Davis or the new Defense Service Center. Goods may also be left at the center.

When Mrs. Harvey and Mrs. Hans returned from Selfridge Field last, after having put the finishing touches on the room, they said that it was worth every bit of effort they had put forth just to see how much the boys enjoyed and appreciated the room. At one time, before they left, there were 70 men in the room at one time. Now these two women are planning to go back once each month and give some kind of party for the pilots.

Calvary Baptists Enjoy Outing Monday At Springdale Park

The B. Y. P. F. of the Calvary Baptist Church of Birmingham invited the Church to a picnic at Springdale park on Monday evening. The Park was in splendid condition and the weather wonderful. The fellowship brought blessing to the entire group in both a temporal and spiritual way. The buds of the trees breaking forth into leaf spoke to us of the power of regeneration and the green of the fields manifest in their way the life of the Church of Christ.

The games were of interest to everyone but darkness caused us to leave the park and return to our homes with pleasant memories. Now a deep desire to soon renew this fellowship and experience.

United China Relief Falls Below Quota

The United China Relief Drive ends officially on May 1 and many communities have gone over their quotas. The response in the Birmingham Bloomfield Hills area has been most generous but from far too few people, Mrs. John K. Ormond, chairman, said today.

"This area needs a few more people like the little girl in New York City who sent in $1.00 and a note saying: 'I have saved this dollar out of my allowance. If you don't reach your quota let me know'."

"This is to let the people of Birmingham and Bloomfield Hills know that so far we have not reached our quota of $1,200," Miss Ormand said.

The Golden Text (Hosea 9:16) is: The Lord is known by the judgment which he executeth: the wicked is snared in the work of his own hands."
Among the Bible citations is this passage: "Be not deceived, God is not mocked: for whatsoever a man soweth, that shall he also reap." The Christian Science textbook, Science and Health with Key to the Scriptures, by Mary Baker Eddy, include the following (p. 242): "Sin will receive its full penalty, both for what it is and for what it does. Justice marks the sinner, and punishes not to remove the mark, but the marks of God. To every's own hall, justice pursues the sin which, to advance itself, breaks God's commandments."

Service Robbed when Robert Burns. Today is a time of greater confrontation than that of Burns' day. He could abandon himself to personal pleasure but we are Americans and not merely nominal Christians. We will do our part in the cause of God, in this great conflict for ultimate victory of a just cause. Christian friends, this is a time for us to be mentally and spiritually fit. We are never before with Satanic forces arrayed against our God and His Christ, our Savior. Put on the gospel armour, put on each piece with prayer. Great Sacrifices Coming for All, Professor McFarland Tells Group

Professor E. W. McFarland, Wayne University economist and former State official, and Sam Jacobs, Consumer field representative of the OPA's Detroit office, addressed a meeting Monday night of 20 people interested in the Consumer Mobilization movement of which Mrs. John K. Ormond has been acting as chairman.

Tremendous sacrifices are in store for the American people, far more than in the First World War when people were deprived of little, Prof. McFarland declared.

In order to keep the huge war machine going, people will have to give up many of the personal services and products they are now receiving, he said.

Every family must concern itself with living more economically and with salvaging waste materials wherever possible, he said, pointing out that even the smallest item of salvage becomes great when collected by millions of families.

Displayed at the dinner was a series of consumer posters made by Mrs. George W. Patch.
