

If this war is being fought to preserve our very liberty, then from it should not come "business-as-usual" but a new order of things...

SIXTY-FIFTH YEAR—NO. 20

THAT and THAT

By G. R. A.

Reckoned Over Labor Strikes It's Welling Up Against Our Leaders...

There shall be a day of reckoning in this country of ours, a day when we shall count the cost of human lives in terms of delay in preparing for and, since Pearl Harbor, in the actual performance of producing men and the weapons of war...

Which brings to mind the recent "sympathy strike" in Pontiac, when several thousand nonunion workers failed to work for a whole day; why? ...
