

Announcement OF THE Grand Opening

OF THE NEW VIRGINIA MARKET

608 S. Woodward Phone B'ham 940
FRIDAY & SAT. • AUGUST 7 & 8

The New Virginia Market Building
 608 S. Woodward Ave.

With real pride the staff of the Virginia Market welcomes this opportunity to invite you to visit our new store, which we sincerely believe to be one of the finest in the metropolitan area. We are not only proud of our new building and the most modern fixtures available, but we are also proud of the extra high quality of our meats and groceries. Every item on our shelves and in our showcases is top grade. Our meat is carefully selected to meet the approval of a select clientele. Our prepared meat items such as sausages, liverwurst, smoked hams, barbecued spareribs and many others are done in our own establishment by our own methods and they have become great favorites of a good portion of Birmingham housewives who have been customers of ours for years. We are mighty proud, too, of our service and courteous methods of waiting on customers. We believe friendliness has been a great boon to our business in the past and are determined to carry on in this respect. So, come in and visit us on the occasion of our grand opening, Saturday. You will find a completely modern food store employing the friendliest methods of catering to your patronage. We also wish to avail ourselves of this opportunity to thank our many friends for their past patronage which made possible our new building.
