

Defense Training Institute for Girl Scout Workers to Be Held on Friday

Moving Season is on Hand In Birmingham, Bloomfield

There seems to have been an epidemic of new houses around Birmingham and Bloomfield late. THE ROBERT M. BALES' are nicely ensconced in their new home on Fairview drive. The E. HANNA'S and their three children have recently moved into their new home on Buckingham road.

THE CLINTON E. SEARS who are moving into their new home at 377 Chesterfield this week have plans in the backs of their heads for some kind of a moving-in ceremony.

MR. AND MRS. ROBERT K. EDMONDS and their daughters, JANET and BARBARA, of Mohrman road, are leaving Birmingham and moving to Chicago in the near future. Mr. Edmonds has already gone, and Mrs. Edmonds went over Tuesday night to look for a place to live.

MRS. STEWART W. KEHLER and her three small sons are planning to leave Birmingham next week Thursday to join Mr. Kehler in New York. The Kehlers will live in Pickwick Inn, Greenwich, Conn., until they are able to find a house. Honoring Mrs. Kehler and her mother, Mrs. Norman Chase, of Cincinnati, Mr. and Mrs. William S. Robertson, of Oakland avenue, are entertaining at dinner this evening.

Leaving their home on Lone Pine Court on March 1 are the RICHARD BRAGGS who are

GIRL SCOUTS

All Interested Urged to Attend Barbara Sears Sessions at Community House To Wed in Spring

A one-day Defense Training Institute for Volunteer and Professional Girl Scout workers in this district will be held in Birmingham at the Community House all day tomorrow, Feb. 20. The Institute starts at 8 a. m. and will continue throughout the day according to Mrs. Eric Hyde, chairman of the Birmingham Girl Scout training committee.

Mrs. Hyde urges all adults who are active in the Girl Scout movement and any who are interested in the work to make a special effort to attend the institute. The programs will provide a thorough analysis of each job in Girl Scouting in relation to national defense.

"Our job has always been to help girls grow up in the world as it is," Mrs. Hyde told in explaining. "Youth continue through-out of tremendous importance now. Young people are exposed to the nervous tensions of the times. They are also eager to serve and to feel needed. Providing a program of service, recreation, and health training, such as is included in Girl Scouting, is a valuable defense project."

Dr. Herman L. Shibley, superintendent of Birmingham Schools, will address the group on "Our Children and (Civilian Defense)" at 10:20 a. m. At 10:40 a. m., Miss Mary Hyland, executive secretary, South Oakland Girl Scouts, will discuss "The Girl Scout Program and Civilian Defense."

At noon the new film on incendiary bombs will be shown. Later, round table discussions will be held on the work of the various types of leaders. Mr. Clarence Day, member of the Great Lakes Regional Committee, will give the last talk of the day, "Our Opportunity Today."

Garden Club Making Plans For Victory Defense Gardens

Under the guidance of Mrs. Elmore F. Wollenz, chairman, the conservation committee of the Birmingham Branch of the National Farm and Garden Club has been up to its necks, these past few weeks, in making plans for defense gardening in the city this coming summer. Needless to say the conservation and program committees are working together for practically all of the Garden Club's work this year is to concern the raising and conserving of food.

Surveys reports that at the present time available lots are being geographically listed for use as defense gardens this summer. Old orchards in the Birmingham area are also being listed for future conservation. Persons having extra land or those who wish to plant gardens should get in touch with Mrs. Wollenz.

Plans are also being laid for a Victory Demonstration Garden in the city, which may be based as a pattern for other gardeners. At least one meeting and perhaps more will be devoted to nutrition and preservation of food. It has already been decided that the October meeting of the club will be entirely devoted to handicraft, another of the Garden Club's projects for the year. At this meeting Birmingham women will bring samples of their handicrafts—rag hooking, making over clothes, knitting and the like—and exchange ideas.

CLEAR THE LINES FOR WAR CALLS!

Telephone lines are always busiest in mid-morning and mid-afternoon. Those are the "peak" periods for business calls. Right now, with the state and nation on a schedule of all-out production for war, this peak load is far greater than ever before. It takes a lot of telephone calls to make a tank or a bomber, and it's vitally important that such messages should not be delayed.

By doing your telephoning at off-peak hours and keeping your calls as short as possible, you'll improve your own service and give real help to America's effort in the war emergency.
