WAR

Save War Materials "Every trip you take by Super-Coach instead of by car you'll be conserving the Nation's vital resources—you'll be saving two gallons of gasoline out of every three! You'll also be making possible signifial economies in motor oil, metals, fabrics, and rubber—all'essential to the war effort!"

"Avoid Wear on Tires"

"Go easy on those tires of yours—go/Greyhouhd whenever business or recreation calls you out of town. It assures extra life for those precious/tires you can't replace — and for your car! Sesides/you'll find Super-Coach travel also saves wear and/tear on your nerves and on your pocketbook!"

Travel in Mid-Week

"There are no 'priorities' on travel for relaxation—in fact, Government officials are urging it to keep America's spirits on high. But you can help to avoid unnecessary crowding of transportation facilities by traveling during the mid-week period whenever possible — leaving extra sear space for soldiers and workers over the week-ends." Save for Defense Bonds

"Save real money on Greyhound's low fares—then put the money you save in Defense Stamps and Bonds—for your own good, for your country's good!"
