NATIONAL EMERGENC

I NCLE SAM is at war with a dangerous and ruthless enemy and it is imperative that he whips him. In order to make this possible he is asking all of us to comperate with him by conferring materials and essentials which will bring about a speedy victory for our armed forces. Many of these things, such as, paper, rubber, certain foodstuffs, etc., are things which have added us, previously, in giving our customers the best in foodstore service. . . . In the future it may be impossible for us to obtain everything we fixed to give you the same service which you formerly enjoyed when you shoughed your water to us. . . If thus he hard or even impossible, for us to furnish you with everything you want when you want it or in the quantity in which you want it, but remember this our management and necessured are swon to serve our cardomers with the very hest of searching that expenditure of the control of the control are swon to serve our cardomers with the very hest of searching that expenditure is not a server to be sufficiently and the control are swon to serve our cardomers with the very hest of searching that expenditure the control of the control of
