News of Red Cross and Other Activities on the 'Home Front'

In answer to the many inquiries which have come in recently concerning an auxiliary air force, an editor spent one afternoon following up on the following report as a result.

At the present time there is, in conjunction with most all airports, a Civil Air Patrol, which is organized in which civilians, men and women, are being asked to enlist.

For women who do not know how to fly, and still wish to do some defense work in connection with the air force, there are many branches of ground work to join.

Civilian Pilot Training courses have been closed to women for some months. However, women may still learn to fly on their own hook, as it were. This is being pointed out to them by a wise advertisement, for there may be a great demand for women pilots for civilian purposes in the near future.

Three Home Nursing Classes Take the Place of Air Force Training. Mrs. Charles Elton Buck, III, started out last Monday afternoon to teach one course in home nursing for the Red Cross. Upon arriving at the Community House, however, Mr. Fogarty had so many students that it was necessary to teach three classes.

Best Home Defense A Healthy, Happy, Well-Fed Family

Ladies, you build much of the health and morale of your family right in your kitchen. A healthy body makes a healthy mind—and a better American.

Your modern gas range with its unsurpassed speed and vacuum heat controls makes it possible for you to follow the vitamins-saving waterless method to the letter.

- 1. Use very little water in cooking. 2. Cook vegetables for the shortest possible time. 3. Cover vessels to keep out air. 4. Avoid unnecessary stirring of vegetables. 5. Don't put in boiling water to brighten hard-boiled eggs. 6. Start vegetables in boiling water. 7. Don't throw away vegetable scraps. 8. Keep foods as fresh as possible. 9. Serve fresh fruit on alternate days. 10. Serve fresh peas over cooking. 11. It is preferable to fry in low-temperature cooking with vitamins and moisture.
