

Mahn-go-tah-see Report Received

HALE, Mich.—Ninety boys in Camp Mahn-go-tah-see, Oakland County, are enjoying their camping experience. Many of them are in camp for the first time. Among the activities popular with the boys is swimming for beginners, learning to swim strokes for those who already know, sailing, boating and canoeing. The fishermen brought in enough fish for campers to have some. Under "Grandpappy" Hubbard's leadership many of the boys have gone fishing for the first time in their lives and they get a great thrill catching their first fish.

Other boys are enjoying riding on the horses which are provided this year by the Bell Riding Stables of Birmingham. The western saddles seem to be popular with the boys. The boys have been on several hikes through the woods and on the first day a deer track was found on the swimming beach.

The craft shop, where the boys make leather purses, belts, finger puppets and other articles, is very popular. Fourth of July was celebrated by a ball game and other games on the flats under the direction of John Baldwin, of Royal Oak, and the afternoon program consisted of swimming races, sailing demonstration, canoe races, boat races, tilting contests, and, under the direction of Miles W. Robinson, of Birmingham, who has charge of the water activities, a regatta.

Many of the boys enjoy being Robin Hoods at the archery target range under the direction of Russell Fisher of Birmingham. Among the plans for the near future are a horse show, a five-day trip down the AuSable for the older boys, some short trips to the AuSable for younger boys, motor camp Saturday night and a special campfire arranged by the campfire council.

Paul Heinsohn, the camp pianist and Randall Johnson, the song leader, have taught the boys new songs and Director Robert D. Lynn believes he has one of the finest groups of boys he has ever had in camp.

Gerald L. K. Smith Reveals Platform

Gerald L. K. Smith, candidate for U. S. Senate on the Republican ticket, has issued the following statement to the press: "The following is a brief summary of what I stand for."

"1. 100% support of the war effort.

"2. \$100 per month for every man in the armed services.

"3. Free speech and free press for all Americans, including Father Time, E. Coughlin and Hitler.

"4. A square deal for the Townsend Plan.

"5. A job for everybody. (By using the wisdom of science instead of the bureaucratic bungle of monopoly-controlled politicians.)

"6. Preservation of America's native soil sovereignty and the slogan 'America First in War and Peace.'

"7. The building of a hoop of military steel around America after this war which will guarantee protection from invasion and make unnecessary any future wars of aggression."

"8. I am committed to the severest principles of the Committee of 1,000,000.

"9. A farm program based on the severest principles of the Committee of 1,000,000.

"10. I shall fight without compromise for Labor's right to organize and bargain collectively through leadership loyal to America and opposed to all forms of Nazi Communism.

"11. Less sugar for whiskey and more sugar for children.

"12. Save the little business man.

"13. Protect the great tourist industry."

"14. Christ First in America."

"I do not propose to indulge in mud-slinging attacks upon candidates seeking the United States Senate. But if I am not killed by my enemies or imprisoned by my political foes, this summer and fall shall see me delivering the most fearless campaign speeches in the history of Michigan politics."

"P.S. Within a short time I shall call a convention of about 1,000 of my Campaign Advisers who shall come from all over Michigan. Numbered in this group will be no political big shots, but energetic and aggressive common people who will represent every walk of life."

Need More Members For Motor Corps

A class of 35 women will complete a course in motor mechanics being taught by Jack Beals, of Birmingham, within the next few weeks. Most of these women are either members of the Red Cross or plan to be members soon.

The Motor Corps, according to its chairman, Mrs. Hamilton H. Paterson, is badly in need of new members and cars or station wagons at the present time. "We need to line up at least 25 additional wagons and drivers, for use in an emergency, right now," Mrs. Paterson stated this week. Members are needed so badly, in fact, that they will be taken on even if they have not graduated from the motor mechanics course. Of those who have not, the course will be required to do so later. Every member is required to have a 30-hour certificate of first aid to her credit.

In case of an emergency, women probably would be flooded with requests for help. Mrs. Paterson commented, "but such volunteers would not be trained, and in an emergency we will need trained workers." At present the motor corps is driving for the blood bank, Red Cross production work rooms, taking welfare children to camps, etc.

MOMS Club to Meet Tonight at Community House

The MOMS Club will meet at 8:15 p. m. today, at the Community House. Mrs. Perry A. Vaughan will give a talk on "Correct Usage of the Flag" and members will discuss resolutions passed at the district meeting held here last week.

Red Cross Classes Prove Popular During Summer

Regardless of inclement weather activities, the public still is vitally interested in Red Cross first aid classes as revealed by the enrollment figures. To meet the continued demand, new classes are being organized regularly, the majority of which are for persons active in civilian defense work. A number of these classes are planned for the general public and will be announced soon.

Persons interested in organizing first aid classes should contact the chapter office at 12 Seneca street, Birmingham. The first aid committee includes Dr. E. B. Cudney, Mrs. C. T. VanDusen of Birmingham, Mrs. Harold Egler and Mrs. Ferdinand Gaensbauer of Pontiac, Mrs. E. M. Gladden of Royal Oak and Mrs. E. E. Rothman of Bloomfield Hills.

GARDEN FOR VICTORY

Children's Victory Gardens are flourishing in the city. Mrs. E. E. Rothman of Bloomfield Hills is the chairman of the Children's Victory Gardens a contributing factor to the war effort.

Mrs. Harvey B. Green, garden club education chairman, has made the rounds of the children's victory gardens she is supervising. She finds the children all extremely interested and not falling down on their gardening projects in spite of summer vacation and its attending temptations to idle the days away.

The children's gardens were scored—Joan Chapel and Paula LaTourrette receiving a mark of 85 which puts them well toward the top. Katharine Sirene has lettuce ready to eat. Albert Wagner has peas in conjunction with his father and they have a garden which is a joy to behold. George Allen has two rows of vegetables in the family garden besides handling a paper route.

Howard E. Chapel, a fine gardener, has also made his rounds of children's victory gardens. He found most of them worthy of a high rating. The prize one is that of Hank Price, 655 Oakland. The planning and care of his garden have given him an almost perfect score. In fact, Mr. Chapel felt that the young gardener should tell us his own story and here it is:

"Before I could start my garden I had a hard job clearing a place for it, because I had to use the part of the yard where there had been shrubs for many years."

"After that I spaded the soil and worked in the fertilizer. I then planned my garden. I planted beans, beets, carrots, peas, radishes, lettuce, tomatoes, squash, onions and cucumbers. Right now I'm putting in my second planting of beets and peas. The tomato plants are loaded with green tomatoes and we had our first green beans. It's been a lot of fun and I'm going to have a Victory Garden next year."

British Relief Sewing Group Discontinued for Summer

The British Relief Sewing Group met regularly for sewing classes that meet at the Community House, was not met during the summer months, according to an announcement made by the group chairman, Mrs. Thomas Reaney.

High School, College Girls Urged to Work at Red Cross

High school and college girls, who are home getting in that well deserved fun and rest this summer, are being urged to join with the Red Cross surgical dressings group. An unusually high quota of surgical dressings will be assigned to the local Red Cross workrooms—a quota which must be filled by Aug. 21.

Out at Christ Church, Cranbrook, the groups meet on Tuesdays and Thursdays, from 10 a. m. until 3:30 p. m., and at the Birmingham Community House, groups work on Mondays and Tuesdays, from 10 a. m. until 4 p. m. Be on hand for the first meeting at either place next week to give the work a tryout at least.

Need a New Car? then-better get it!

Think things THROUGH on buying a new car! If you are Eligible under Newly Liberalized Rules it's Smart to BUY NOW! And here's why!

The Government wants us all to save gasoline. The Government wants us to save rubber. The Government also wants to make most efficient use of transportation facilities now available—including cars now built and ready for sale.

You do not help the country by "get along" on a car no longer fully efficient, safe or dependably able to serve you in any necessary use.

If you can qualify under latest rationing rules, you are recognized as an essential driver.

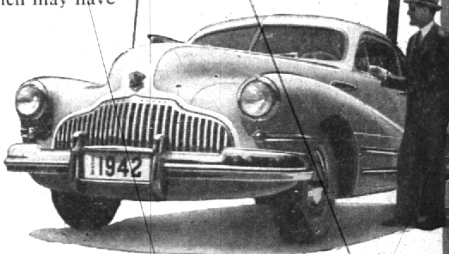

As such, you are not only entitled to your share of available gasoline and rubber, but are in reality expected to make the best use of them.

Your Buick dealer can show you that you can more efficiently do this in a brand-new, gas-thrifty, solidly dependable new 1942 Buick than in an older car which may have seen better days.

So before jumping at conclusions, get the whole story on new-car buying. Drop in on your Buick dealer for full details. He is at your service—any time.

Are you included in this list?

- ARE YOU directly or indirectly engaged in the production of war materials or the prosecution of the war?
- ARE YOU a physician, surgeon, nurse, veterinarian, clergyman or farmer?
- DO YOU use your car in public service, such as fire or police, public health, highway maintenance work or the like?
- ARE YOU owner of a taxicab or other vital means of public transportation?
- ARE YOU a newspaper wholesaler, or a salesman in essential fields connected with war work?
- THESE ARE the broad groups who are eligible under present rationing rules to buy new automobiles. There are other details of eligibility, of course, but they are included in the above, it will pay you to see your Buick dealer now and get full information. Get the facts before you assume either that you can't or shouldn't buy a new car now!
