Plan Nursery School For Civilian Defense

Surprising, isn't it, the many ways people can find to help out during a war-time emergency? Mrs. James L. White, assisted by Mrs. Winnifred Barkman, Mrs. Garrett W. Arnold, and Mrs. Steven Hollier, came through this week with what we think is a marvelous idea. They have decided to establish a nursery school so that mothers who have pre-school aged children will be able to attend civilian defense and Red Cross classes.

The idea has been approved by the civilian defense officer, and St. James Episcopal Church has offered the use of Sunday School rooms in the church. However, it should be clear that the school will take care of children only when mothers are attending classes and at no other time. Of course, there will be no charge.

For further information, call Mrs. White at 760 or the civilian defense office, 1230.

Staff Assistants Set to Start Class Wednesday
The first meeting of the staff assistants class will be held next Wednesday afternoon, March 25, in the Community House auditorium at 2:30 o'clock. A motion picture film will be shown by the Bell Telephone Company during a short recording machine will be present for demonstration.

Have Adequate Help
Mrs. Paul Robertson, 1193 Pierce street, is the newest volunteer stenographer at the local draft board office. Notices published in this column brought a fine response and no more volunteers are needed at the present time. If the group which offered to help, those with the greatest skill in typing and shorthand were chosen.

Civilian Defense Office Moves Location!
The civilian defense office moved on Tuesday from the Community House to the municipal building. The telephone number is 1230.

MUST PAY \$50
Jack Hackney, Negro, said to be a resident of Birmingham, was placed on two years' probation and fined \$50 Monday by Judge E. Elwood Holland, in Pontiac. The charge was carrying concealed weapons.

Only Clean Wastepaper Can Be Salvaged
One citizen has been heard to remark that it is most surprising in a community such as Birmingham, where sanitation and living standards are so high, that people will expect Boy Scouts to sort over used Kleenex and dirty garbage papers! The Birmingham Council is anxious to have wastepaper—but they can really only use CLEAN WASTEPAPER.
