# Telephone Installations

For more than a year this company has met an unprecedented service demand and generally has installed telephones when and where they were wanted. Material shortages now make it impossible to meet some requests for telephone service.

The expansion to care for past service requests was accomplished, despite a greatly curtailed supply of vital materials, through emergency engineering methods and the use of alternate materials.

Now, the War Production Board has issued an order that expands those practices and places further restrictions.

- ### SOME EFFECTS OF ORDER ON TELEPHONE USERS
1. PARTY LINES only, can be installed in many cases.
  2. EXTENSION TELEPHONES cannot be installed in residences except where needed by those responsible for public health, welfare or security.
  3. TELEPHONES of wall or desk (upright) types cannot be changed to hand sets.
  4. MANUAL TELEPHONE SWITCHBOARDS may not be changed to dial except where the work is well advanced.

Michigan Bell will endeavor to administer the order equitably and regrets any inconvenience the public will experience.
