

Annual Fashion Show and Bridge Tea Scheduled For St. Patrick's Day

U of M Alumnae Sponsor Affair to Help Students

On the afternoon of St. Patrick's Day, the University of Michigan Alumnae Association of Birmingham will present, for the fourth consecutive year, its annual colorful style show, sponsored by the J. L. Hudson Company, and bridge tea. The party will take place in the Community House at 2 o'clock.

Mrs. Lewis Byron Sappington has been named general chairman for the whole affair. Assisting her will be Mrs. Marcus Eddy Cunningham who is responsible for publicity; Mrs. Lee A. White, who is taking care of tickets; Mrs. Robert Atkinson, chairman of the tea; and Mrs. Robert F. Watt, president of the club, who is making arrangements for the bridge party.

Proceeds will be used for the benefit of Birmingham's scholarship students at the University of Michigan. This year there are five local students attending the University who were recommended for scholarship through the efforts of the local club.

One can readily appreciate the needs that such students might have, some of whom are working to pay the remainder of their college expenses. At this time the importance to our country of trained young people of such standing cannot be overestimated.

Tickets may be purchased from any University of Michigan Alumnae.

But how are we to train the student of today in a very rapidly changing world? We must go further than fundamentals to fit youth for living when this war is over.
