WOMEN in SERVICE

Mothers of Service Men Will Organize

Certainly no one is doing more right now than are the women who have sons in active service with the United States Armed Forces—yet strangely enough they want to do more. This evening, Thursday, May 14, at 9:30 p. m. in the Community House, mothers of boys in service will hold an organization meeting for a "Mom's Club." One such club has already been organized in Pontiac, Detroit, and Dearborn, and Birmingham's will be the fourth.

It was the Mom's Club in Dearborn that worked so hard for a recreation hall where boys and men from the Base might go during their leisure time. There are all kinds of things that mothers can do, locally, if they are organized. So, all you mothers come out tonight, to help start the ball rolling here.

Zone 1A, Post 1, to Have Neighborhood Meeting

Allen E. Arnold, of Bloomfield Court, air raid warden for Zone 1A, Post 1, has called a neighborhood meeting for adults in his area for next Wednesday evening, May 20, at 8 p. m. in the Community House. At this meeting Mr. Arnold will explain the necessary information about how and why one should equip one's home in case of air raids here, and also distribute other information concerning civilian defense activity. Should an emergency arise, neighbors will be more than ever dependent on one another. Realizing this, some of the women in the area are putting forth an effort to lend the evening a social air by serving light refreshments. Mrs. Mabel D. Clark is in charge of this portion of the program and she is being assisted by Mrs. Albert Stoll, Jr., and Mrs. Howard Hagerty.

NOTICE

Public hearing will be held Monday, May 25th, 1942, at 8 o'clock P. M. to consider the removal of a soft maple tree on the driveway at 424 Southfield Avenue.

IRENE E. HANSLEY,
City Clerk.

Musicale Collecting Records, Sheet Music

Entering into the defense scene this week, and for several weeks to come, is the Birmingham Musicale. The Musicale is asking that in house cleaning you go over your supply of records and sheet music very carefully., Any that you feel you can, please turn over to the club, who, in turn will see that it gets to an army camp or settlement house.

Both classical and popular (if not too old) records and sheet music are needed badly at most all army and navy posts. What is collected here will go either to Selfridge Field or to Fort Custer. Radios and victrolas in good or at least fair condition, can also be used. Anyone having such materials should call Mrs. H. G. Wood, 802, chairman.

The musicale also has another project, along the same line—any kind of sheet music, children's songs, beginner's lessons right on up, is badly needed at settlement houses where music instruction is given. Sheet music and records which are not suitable for army camps will undoubtedly fill the bill at settlements, so any of you coming across articles in this category should call Mrs. Bessie M. McMechan, 2453, philanthropic chairman.

Defense Center Has American Flags for Sale

Red Cross Nurse's Aides Now at Work

Patients in Pontiac hospitals are receiving extra care these days from the services of the 33 Red Cross Nurses' Aides who recently completed their training.

Each nurses' aide volunteers a certain number of hours each week to the hospital. This service relieves regular staff members of minor tasks, enabling them to devote their time to more important duties. The extra demand for nurses in the armed forces has sadly taxed the regular hospital staffs.

Birmingham and Bloomfield women who are now working in Pontiac are Mrs. Edward F. Bennett, Mrs. Gertrude Compton, Mrs. Dillian Frey, Pontiac-Claire Manahan, Mrs. Milton Miles, Mrs. Cordelia Petrie, Mrs. Thomas J. Reigel, Mrs. Charles Rice, Mrs. R. H. Soulis, Mrs. Irene Carrigan, Mrs. George Cary, Virginia Hills, and Patricia Kates.

Any Defense Questions? The Center Can Answer Them

Would you like to join a unit of the Home Guard, but don't know quite how to go about it? Would you like to know the starting date of the next Red Cross First Aid Course? Have you an old boiler in your basement that you'd like to get rid of?

Call the Defense Service Center, 4014 for the answers to these or any other defense questions that may have been bothering you. Information is their business.

Should the A. W. V. S. member who answers the telephone or greets you, not have the answer at her tongue's tip, she will be glad to take your name and telephone number and call you back. If there is an answer to your question, the Defense Service Center will be glad to get it for you.

"Mortals and Immortals" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, May 17.
The Golden Text (Romans 8:5) is: "They that are after the flesh do mind the things of the flesh; but they that are after the Spirit, the things of the Spirit." Among the Bible citations in this passage (Job 14:1, 2) is: "Man that is born of a woman is of few days, and full of trouble. He cometh forth like a flower, and is cut down: he fleeth also as a shadow, and continueth not."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 100): "Human birth, growth, maturity, and decay are as the grass springing from the soil with beautiful green blades, afterwards to wither and return to its native nothingness. This mortal seeming is temporal. It never merges into immortal being, but finally disappears, and immortal man, spiritual and eternal, is found to be the real man."
