## Yes, They Bought & Bought

But, we still have a lot of Wilson's Meadow Brook Farm Beef Left!

We knew you would be pleased with the quality of Wilson Meadow Brook Farm Beef. These cattle were fed on grain exclusively for the 12 months prior to our buying an entire load of them at the farm near Rochester. After aging them properly we were certain you would find this beef beyond comparison with ordinary meat. We still have a good supply of this special beef on hand and know that you will want more if you tried it last week. If you neglected to get some then, you will not want to miss this opportunity a second time. Remember this super beef sells at regular beef prices.
