GARDEN FOR VICTORY

Tomatoes already rate as the most popular garden product in Michigan. But if horticulture in the Victory gardens of 1942 will see an even greater step up on this crop.

A family gardening project is a job the whole family can do together. Most children are glad to tackle a job that the whole family works on. The planning, working and succeeding together will bring about emotional security and satisfaction that comes of doing something that actively and directly contributes to the welfare of all concerned.
