

Junior High Plays Under Lights, Friday

By HAROLD KELLY
The new Birmingham center Junior High School football team will experience its first game under the lights here Friday evening...

Although not much is known about the Ferndale team because this will be its first interscholastic football game...

The starting line-up for Coach Jehl's Birmingham team will be Bowen and Scheffer at ends; Filkins and Elkhart, tackles; Gasser and Twiggler, guards...

Runners Capture E. Michigan Title
Birmingham's cross country team triumphed over Wayne and Ypsilanti to win the Eastern Michigan class B championship last Saturday at Ypsilanti.

The locals won the meet with the lowest score of 21 compared to Wayne's 44 and Ypsilanti's 20...

Thomason, Wayne's star, ran first in 11:27, trailed by Will from Ypsilanti and Wangberg of Birmingham...

Baldwin girls' division of the Department of Health and Physical Education has named Amy Roosevelt as the student director of the school's intercollegiate sports activities.

Power was the keynote in a spirited running attack that conquered Ypsilanti 19-0 last Friday night on a muddy field.

The game, played away, was highlighted by a long touch-down run early in the opening quarter by Bill Spiegel, speedy Maroon back, and Bud Keller, hard-hitting, rangy halfback.

The Birmingham running attack opened immediately after the kickoff as Keller and Bud Keller...

Republicans Win Favor of Students
A straw election sponsored by the city classes at the Municipal Building Friday for all Baldwin students wishing to exercise the precious American right of free ballot.

Students were given the privilege of going through the same process of selecting state officials that their parents use.

The civics classes which promulgated the idea were presided over by Don Fisher, 11A class president, who was general chairman.

Jackie Potter, chairman of the polling committee, appointed a number of students to instruct those at the polls who were not familiar with the voting machines.

The result favored the Republicans by a vote of one over the Democrats and all voted yes on the four proposed amendments.

Small Squad Out For Basketball
With the current basket ball campaign a little less than a week old, Coach Eric Engel has approximately 20 players on the squad.

Counsel Available
In cooperation with the night courses at Baldwin, Lloyd Chapman has extended his office hours to include Thursday evenings from 7:30 to 9:30.

Air Raid Messenger Service Organized

Of interest to the boys of Birmingham last spring was the organization of the boys' air raid messenger service by the local Civilian Defense Board.

This service group meets every Wednesday night from 7:30 to 8:30 in the commission room of the Municipal Building.

At present ten boys have registered: Bill Axles, Clarence Dacey, Jack Hayward, Robert Erwin, Robert Watts, Gordon Craven, Wilmer Hoge, Carlton Patterson, Charles Hood, and Ralph Everett.

Boys who register and complete the course receive certificates, identification cards and arm bands, and will be assigned to such posts as auxiliary police posts, auxiliary firemen's posts, zone wardens' posts, and first aid posts.

AIDS 'DOCTOR RHYTHM'
Because Baldwin has no dancing instructor, Miss Barbara McCall Seaver, who has been over dancing for many years, has been voluntarily helping the 'Doctor Rhythm' special dancing groups for the past two weeks.

Miss Seaver organized the rumba, skeleton, and ballroom numbers. Nadine Hecker and Nancy Neuman are finishing the instruction for the tap group which Miss Seaver started.

New Co-op Work-Study Program Gets Good Start at Baldwin High

The new cooperative program inaugurated last year by which students go to Baldwin half a day and have jobs in the afternoon, is functioning very well.

The students enrolled in the cooperative plan take two commercial courses and one subject in another field during the morning and are employed by merchants the rest of the day.

The State office at Lansing has set up the program for two years of training. The first year course involves mostly training in school and the second year more actual experience than school work.

At present ten boys have registered: Bill Axles, Clarence Dacey, Jack Hayward, Robert Erwin, Robert Watts, Gordon Craven, Wilmer Hoge, Carlton Patterson, Charles Hood, and Ralph Everett.

Boys who register and complete the course receive certificates, identification cards and arm bands, and will be assigned to such posts as auxiliary police posts, auxiliary firemen's posts, zone wardens' posts, and first aid posts.

looks an' trying to figure out what made the magician "tick."
Lynn Lyle invited everyone to come over for cider to doughnuts Saturday night and the girls ended up bobbing for apples and learning "all" from "see" boards.
The Community House, adorned with black Halloween silhouettes, provided a weird atmosphere for all the kids to glide around in, to Herbie Hosner's swing.
Bob Jessup, Shirley Trump, Frank Watts, Carmela DiPietro, Frank Bristewer, Ginn Bostwick, Bud James and Kitty Keller imagined Halloween an ideal time to explore all the haunted houses they had ever viewed from afar.
More joined and they formed a caravan of ghost seekers.
Before Annie remembers any more of your Halloween pranks, she'd better leave without exposing you to well deserved parents' wrath!
Affectionately, ANNIE
DANCE SATURDAY
The bi-weekly Saturday night dance will be held this Saturday at the Community House from 9:30 to 12:30.
Mrs. L. E. Colgrove is in charge of the dance and Bill Gelling is taking care of the refreshments. The proceeds from this dance, like those from the rest of the Saturday night dances, will go to the Visiting Nurses Fund.
