## KINGSWOOD KLIPPINGS

Registration day brought the excitement and fun of seeing old friends again, and new in the second week of school we are finding new faces and friends to enjoy.

The boarding school is full, and the day school enrollment is up by 15%, so we are looking forward to a bigger and better year in every way.

The war, of course, is present in all of our thoughts, and we are anxious to help in every way possible. War Stamps and Bonds will be sold, as they were last year, and other plans are being worked out. Our alumna, Jeanne L'Homm-medieu has been accepted as an officer in W.A.V.E.S., and another alumna, Martha Thompson, has already applied for membership—we are very proud of them.

Many of our day students are riding their bikes to school in order to help save car tires, and the boarders are pitching in, taking almost entire cars of their rooms.

The seniors have started out, full steam ahead, working on their fall production of "A Midsummer Night's Dream." Most of the cast, chosen last spring, have been working on their parts all summer, having frequent conferences with Mrs. G. Cochran, who is directing the play.

Also, of course, academic work is also in full swing. We have three new members of the faculty this year, the University of Michigan giving us Miss Gerkins for science, Bryn Mawr giving us Miss Sculler for French and Bryn Mawr as well as the Yale Graduate School giving us Miss Groben for history.

Until next week, then, "Kitty Kingswood"

## GIRL SCOUTS

Attention, Girl Scouts! Did you see the Girl Scout booth at the Community House Fair? You know we are one of the prominent recognized organizations of the town. You don't have to be a grown-up to belong to a fine organization which is important both in peace times and in war.

Last year Troop 8 took the regular Red Cross first aid course and all of them received their certificates. They also gave the Red Cross \$5 and the U.S.O. to be used at Camp Custer for the purchase of boxing gloves.

Ask all your grown up friends to save their kitchen fats for your troop for before long you are going to have a very special need for some extra material. Use this column to find out about it.

Your leaders will be ready soon for a busy and pleasant Scout year. At the annual meeting a week ago they elected the following: Mrs. C. B. Harkness, Scoutmaster; Mrs. W. W. Maloney, council representative; Mrs. W. W. Maloney, program chairman; Mrs. H. P. Underhill.

Mrs. W. K. Carter will be Mrs. Underhill's assistant in Troop 8. The outstanding event of the council meeting on Tuesday afternoon was the report of Mrs. Beth Compton on the Day Camp last year. Extensive work is being done to make the cabin more comfortable and attractive and to make it practical to use it for a long and busy season.

The dinner which preceded the training school for leaders was attended by the report of Mrs. Beth Compton on the Day Camp last year. Extensive work is being done to make the cabin more comfortable and attractive and to make it practical to use it for a long and busy season.
