

Full Church Hears Lutheran Vespers

The peaceful atmosphere of the Lutheran's lovely colorized choir provided an appropriate setting for an impressive vesper service last Sunday afternoon.

An appropriate address by the pastor, the Rev. Theodore Waggener, Jr., the organ numbers, the organ and piano duets, the Children's Choir numbers, the response by the Girls' Choir from the balcony of the church, and the cantata by the Senior Choir were interwoven with the hymns and prayers to produce a devotional and a restful hour.

War Sufferers Are Sent Clothing

Mrs. W. H. Colvin, chairman of the Christian Science War Relief Committee of First Church of Christ, Scientist of Birmingham, reports that a shipment of clothing, bedding, and other articles, nearly all of them hand made from new materials, was forwarded recently to the general headquarters in Boston.

Besides the need for civilian clothing, knitted garments for men in the services of the United States are being supplied. The Boston office received a request recently for 4000 pairs of socks, 1,500 sweaters, 1,500 helmets and as many gloves as could be supplied.
