

Big Opportunity Available to Men In the Signal Corps

The Veterans of Foreign Wars of the United States will help any man from 18 to 44 to meet the requirements of the Army Air Force Signal Corps or Ordnance. This is a war of speed—a radio war. Commanding an message must go through like lightning. Never have communications been so vital to victory, or have new devices been used so much. The Commission's whole responsibility is for getting the message through. It is in the hands of the U. S. Army Signal Corps. Hands that install, maintain, and repair thousands of radio, sending and receiving sets. Hands that adjust the marvelous mechanisms which flash the orders to attack!

Jobs Qualifying Mechanics and Radio Men. Detroit Auditorium Concerts Revealed

Detroit music lovers are not going to let the war bludgeon their enjoyment of music during the coming season according to the manager of the Masonic Auditorium Concert Series. The 1942-43 season will mark the tenth anniversary of the Masonic Auditorium Series and the greatest array of world famous artists ever to appear on a single Detroit concert series has been booked. Serge Rachminoff will open the season on Oct. 27. Season ticket holders will have a choice of three or either the two concert series. On Nov. 3 the famous Philadelphia Symphony will be heard with Eugene Ormandy conducting. General Platt will bring his Don Cossack Chorus to the Masonic Auditorium for the first time on Dec. 15. On Jan. 5 Richard Crooks, tenor, will be presented, assisted by the Princeton world famous violinist. Thursday evening Feb. 4 the tremendously popular Ballet Russe will open a three day engagement. Mann Anderson will close the series on March 22.

With the Collegians

Columns include Republican, Democrat, and Total.

Fire Dept. Warns About Gas Storage

Due to rumors of gasoline rationing, complaints have been received that persons are storing gasoline in drums in garages. Unfortunately, they are not willing to sign a complaint against the property and remedy the condition. Chief V. W. Griffith said it is unsafe to store any amount of gasoline in the house and up to ten gallons in the garage or outside above ground. Storage of gasoline in any other place is illegal. Storage of gasoline in any other place is illegal. Storage of gasoline in any other place is illegal.

Here's Official Advice on Home Gas Protection. If people will remember a few simple facts about poison gas they will have no reason to fear it. According to the Office of Civilian Defense, Washington, which has a pamphlet on this subject, Birmingham's Discontinuation Corps suggests that readers clip it and save for further reference.

City Establishes Policy on Soldiers. The City Commission Monday night adopted a revised version of its policy covering employees who are in the military branch of the armed forces. Workers will be reimbursed for one year's coverage and will be provided with the same rights when they return to work.
