

Three More Men Entering Navy

Three Birmingham youths applied for enlistment in the U. S. Navy through the Royal Oak Recruiting Station last week and plan to take their oaths of allegiance soon.

Yeoman Leonard L. Lewis, recruiter in charge of the new full-time station in Royal Oak, reports that all three applicants passed their preliminary physical examinations with little difficulty. Each plans to specialize in a different field.

John Malcolm McDonald, 20, of 655 Chesterfield, enlisted in the V-1 program of the Naval Reserve. Under this program, McDonald is sworn into service and placed on inactive duty in order to continue his studies at Wayne University. At the end of his sophomore year, he will be given an intensive academic examination. If he passes, he will be able to complete college and enter a midshipman school for training as a deck or engineer officer.

Robert Grant Dearing, 18, of 87 Davis street, plans to enter the Construction Battalion of the Naval Reserve. In this category he will help build advance naval bases and help defend them against attack, if necessary. All "Seabees" receive above-

minimum ratings because of their experience. The third Birmingham youth to apply for enlistment through the Royal Oak Recruiting Station is Thomas Kenneth Kook, 18, of 28650 Lincoln road.

Rock enlisted in the V-2 program of the Naval Reserve in which qualified youths with mechanical experience and aptitudes are sent to aviation school. Upon completion, they are detailed to aviation duties with ground and flight crews at naval air bases aboard aircraft carriers and aircraft tenders.

Rock plans to become an aviation machinist mate. The Royal Oak station is open daily Monday through Saturday from 9 a. m. to 5 p. m. New supplies of the popular booklet, "Men Make the Navy" are now available and will be mailed upon request.

Mr. Jack Boomer was chairman for the MOMS Club of the send-off given the inductees on Monday. Assisting her was Mrs. George Erickson. Organizations and individuals contributing toward the send off were the American Legion, Arnold Stearns, Harry Clark, Mrs. Hilda Wallis, Mrs. Charles Adams, Council of Church Women, and John A. Ring.

ARRESTED
Pitt H. Walsh, 851 Ann street, was arrested here Monday night on a warrant issued by Circuit Court in connection with an all-mummy party.

MEN IN SERVICE

(Continued from Page 2, Part 2)
UP
John E. Bassett, who is at the Air Force gunnery school at Las Vegas, Nev., is now a sergeant.

STARTS TRAINING
Port Benjamin Harrison, Ind.—Private David W. Bell, of Birmingham, Mich., arrived at the Finance Replacement Training Center here recently to begin his basic training.

He is the brother of Ralph E. Bell, 628 Chester street, Birmingham.

GETS COMMISSION
Donald W. Hunter, route 2, Birmingham, has been commissioned in the Navy.

NOW AN ENSIGN
Ensign Richard C. Mavis, of Henrietta street, recently received his commission in the United States Naval Reserve, and reported at the U. S. Naval Training School, Dartmouth College, this week.

Mrs. Mavis and her 16-month-old daughter, Sandra, will remain in Birmingham for the time being.

IN V-7
Dwight Everett Richard Harrell, Jr., 29 years old, was enlisted Sept. 5 for officers training in the United States Naval Reserve. He is the son of Mr. and Mrs. E. R. Harrell of 468 Berwyn road, Birmingham.

Officer's training for reservists under the Navy's V-7 program consists of a month's indoctrination as an apprentice seaman and three months of schooling as a midshipman. Upon graduation, qualifications are commensurate with those in the U. S. Naval Reserve.

College graduates, either married or single, between the ages of 19 and 29 who register their status before April 15, 1942 are eligible if single and may be placed on inactive duty until graduation.

Harrell is a student at Duke University. He will be on inactive duty until he is graduated in June 1944. Everett was president of the Variety Club, won his letters in track and was president of the freshman house as well as being on the Freshman Advisory Council.

AT RANDOLPH FIELD
RANDOLPH FIELD, Texas—Basic class 43-A, the first group of aviators to be graduated from officers scheduled to be graduated from advanced schools during 1942, has checked in at the West Point of the Air with one man from Birmingham among its eager-to-please-Axis ranks.

These military pilots, who have entered Randolph Field after nine weeks of training at primary school throughout the Gulf Coast Army Air Forces Training Center, are being put through a brisk routine at the famous southern training school. Upon completion of work here, they will move on to advanced centers to complete their training.

STATE OF MICHIGAN—The Probate Court for the County of Oakland.
At a session of said Court, held at the Probate Office in the City of Pontiac, in said County, on the 13th day of September, A. D. 1942.

Present, Hon. Arthur E. Moore, Judge of Probate.
In the Matter of the Estate of John D. Knight, Deceased.
Marion Knight having filed in said court a petition praying that she and her estate be granted the administration of said estate be granted to her, or to some other suitable person.

It is Ordered, That the 4th day of October, A. D. 1942, at nine o'clock in the forenoon, be and the same day is and is hereby appointed for hearing said petition.

It is Further Ordered, That the notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing, in the Birmingham Eccentric, a newspaper printed and circulated in said county.

ARTHUR E. MOORE,
Judge of Probate.
24-23-26.

ROGERS I. MARQUIS,
Attorney for Petitioner,
National Bank Bldg.,
Detroit, Michigan.

STATE OF MICHIGAN—The Probate Court for the County of Oakland.
At a session of said Court, held at the Probate Office in the City of Pontiac, in said County, on the 13th day of September, A. D. 1942.

Present, Honorable Arthur E. Moore, Judge of Probate.
In the Matter of the Estate of John D. Knight, Deceased.
John C. Chappie having filed a petition praying that an instrument filed in said court be admitted to Probate as the last will and testament of said deceased, and that administration of said estate be granted to the petitioner or to some other suitable person.

we left Cincinnati we lost hope and arrived at Camp Wheeler some 26 hours (on a through train) later.

However, our hopes returned somewhat when we found out what a nice camp this is. Paved streets, grass, hills (mild), trees, excellent officers and really good food can do a lot for hope.

Now in my third week of basic training which, though, is most interesting in some phases. When my Eccentric arrives via the mail man, I read it through several times. Then it goes on extra duty. A part may be used to wash the windows, another piece is used to lay ride parts on so that oil, etc., will not dirty up the floor. If anything is left by this time, I read it again.

Sincerely,
Pvt. Justin P. Buckner

Vichy's resistance to the axis is feeble. Maybe the French leaders should drink more Vichy water.

Electric, Telephone Men are Needed

Again the Veterans of Foreign Wars are asking the young men of the community to consider Army enlistment. Men from 18 to 44 may apply at 138 South Woodward avenue. Mrs. C. D. McCall, cadet captain, is in charge of office every Tuesday, Wednesday and Thursday from 10 a. m. to 3 p. m. and the veterans will give the mental test every Thursday evening from 7 p. m. to 9 p. m.

"Uncle Sam says in order that we may obtain a few more of you to do our part, so it is up to YOU as skilled mechanics in the manufacturing companies to produce the materials to help our boys fight for freedom, but we also need just as many of these skilled hands in the Army Air Forces, Army

Ordnance Corps and the Army Signal Corps.

In order to maintain the electrical end of this war, they need the following mechanics: aircraft radio electrician, radio mechanic, communications operator engineeer, jr. radio engineer, radio dispatcher, radio electrician, inspector, mechanic, operator, amateur, radio technician, senior engineering aide and transmitter repairman.

Electrical, appliance serviceman, automotive electrician, apicalian, chief engineer aide, analyst, engineer, inspector, electronics specialist, instrument man, meterman, lineman, motor designer, motor rewinder, physicist, signalman,

switchman, switch panel installer. They need telephone men of all types, teletype installer, mechanic, operator, repairman, telegraph man, installer, mechanic, operator, and repairman.

Couldn't Give the Time Lawyer for Defendant—Now, sir, you say that my client disappeared in the darkness after knocking you down. What time of night was this?

Complaint—I can't say exactly. Your client had my watch.

How to AVOID WASTING LIGHT

and make your rooms brighter AT NO EXTRA COST

If you could get 25 per cent more light in your rooms without spending ONE CENT more for electricity, would you be interested? In many homes it is possible to do exactly that. And it is due to the fact that dust steals light... robbing you of part of the electricity you pay for.

One-fourth of your light is far too great a tribute to pay—and you can avoid it by cleaning your lamps and fixtures regularly. It's easy to overlook this important task, because dust collects on bulbs that are hidden under lamp shades or in semi-enclosed lighting fixtures. And these lights lose their brightness little by little, day by day, so that you scarcely notice it.

To keep your lighting at top efficiency, wipe all lamp bulbs frequently (also lamp reflector bowls). Dust your lamp shades inside and out. Use the RIGHT SIZE BULBS in your lamps and fixtures—not too large, not too small. Replace dark-colored shades with light shades with white linings, to reflect more light. You'll be amazed at the difference in your rooms—how much brighter and more cheerful they are— if you follow these simple rules. The Detroit Edison Co.
