VOIR MEN

As the result of being shot or some of the "behind-the-scenes" activities of the U. S. Army, 111 officers of the Medical Research Bureau are being brought into existence, thus being done today. I don't mean such a possibility in there is not building up of a democratic military service in any country upon earth; even Hitler required conscripts of preparation to bring his armies up to the job of doing what they had at the beginning of the war.

FAILS TO STOP; DRIVER ARRESTED

Mrs. Doris J. Luetich of 1691 Beverly road, Brdway, was arrested by Birmingham police Sunday afternoon at the request of Bloomfield Hills, where police say she was involved in an accident with a car driven by Helen Murray of Detroit, and failed to stop afterward. She will appear Saturday to receive sentence on a reckless driving charge.

Cranbrook News

By ROBERT WILSON The current week is the first in the Cranbrook program of intramural competition in spring athletics. Track, tennis and baseball are the three active sports, and from these groups each house will select a softball team. The scheduled games runs for several weeks, with two games weekly for each team. Houses will also be able to score points in bracket tennis tournaments and dual track meets every week. Baseball is to be carried on in spite of the fact that competition is impossible either intramurally or with other schools.

Victory Plowing

Mrs. S. F. Hemetzer, general information chairman for the victory garden program, has set up an information bureau at her home. She will be ready to tell you all you want to know concerning victory plowing and you will be glad to register to have this work done. Call 3448W3.

Buying Bonds and More Bonds is not only an urgent and patriotic duty, but it is darn good business. Davidson's--Woodward Avenue

'I helped cook 'em in my kitchen!' This is more of a woman's war than any war that has ever been fought! From the heroic nurses of Bataan... to the women at home faced with the problem of preparing nutritious wartime meals for their families... we're all playing a vital part in helping to win this war. 'Gas makes them faster... and that means lives saved! It's much more economical... and that affects all our pocketbooks. It's easier to control... and that means better equipment for our husbands and sons!' MEETING WARTIME NEEDS Today the Gas industry is producing more Gas than at any time in history. Yet because of the demands of war production you are urged to use Gas wisely - don't waste it! GAS is vital to war production... use it wisely! Consumers Power Company

Given Battle Conditions

Let's assume for example, that a tank has been crippled in battle, and its crew must get out and away to safer cover; in the floor of each tank is an escape hatch, through which the men can drop to the ground; these men must then wriggle and crawl to safety while the tank is being blown up from the ground, a vestible hall of machine-gun bullets whistles over them, sometimes penetrating the leadership of a Commander, who maintains constant communication with other tanks.

Go in Navy

L. L. Watte, for six years Cranbrook crafts instructor, left school before Spring vacation to report for Naval training at Harvard. Seward Stoen, of the Art Academy, will take over Mr. Watte's duties for the balance of the school year.

Medical Research Important

Medical Research Important! At this time, one of the most important, yet important, health problems is the one that affects the most of our Army Post, anywhere. It is the Armed Force Medical Research Laboratory, operated by competent medical men, chemists, engineers, and other physical scientists, whose research is determining the effects of every part of the world affect men, and their reaction to them. As an illustration, there is a "hot room," in which is located
