**Day Nursery to be Started**

Mothers of pre-school age children who want to do Red Cross work are going to get a break. A day nursery is going to be opened in the Scout Room of the Community House by Mrs. Charles Richards and Mrs. S. E. Ross, who will be assisted by Brownie Troop 15 of Pierce School.

The children will be well taken care of while their mothers do Red Cross work. The Brownies will take turns entertaining the tiny tots. Mrs. Richards will play the piano for musical themes and rhythmic practice.

Birmingham is in dire need of many more Red Cross workers, and it is hoped that the new nursery will free some mothers for this vital work. The nursery will be open on Monday and Tuesday mornings from 10 to 12.

The great need for the moment is for toys—indestructible toys to equip the playroom. Big blocks, peg boards, hammering boards, doll cradles, wooden toys, water colors and crayons, doll bugies, etc. Anyone with toys of this type which their children no longer use can do the mothers and the Red Cross a good turn by bringing them to the Community House and leaving them for the nursery. If it is not convenient to bring the toys to the

During the leadership campaign the men's service club, as well as the women's clubs are being addressed.

Mrs. George B. Finch will take over the column next week while Mrs. Smith is out of the city. News should be sent to her.

Troop 11 of Franklin is losing its leader for awhile. Mrs. W. W. Maloney is leaving for New Mexico on May 1. Mrs. B. Schaffer, leader of Wood Creek Farms is taking over until the end of the year.

Mrs. E. Brum, leader of the Robert Kohn talked before the Friendly Circle in Franklin last Wednesday on the Leadership drive.

Cynthia Harrison was made a Scout of Troop 10 at the meeting held on Monday, April 20.

**Pierce School**  
Troop 15, Pierce School—On Tuesday, April 20, the Brownies in Mrs. Charles Richards' troop had an Easter supper in the Scout Room at the Community House. The meal was planned by the Brownies themselves, using unrationed foods and their money assisted in the cooking. Each Brownie had a responsibility, and the girls made their own program and their own Easter decorations.

All of the birthdays of the past three months were celebrated at this time. Games were played by everybody. Mrs. Frank Webb, the host of honor, gave an interesting talk on the value of Scouting and how fortunate girls are to be able to be a Brownie or a Scout.

When 7, Pierce School, Mrs. C. H. A. Davidson reports, are having a busy month. They made a trip to the Baldwin Public Library where Miss Adeline Cook, librarian, showed them how to use the card catalogue. Miss Edna Miller, second grade teacher, gave the girls a knot-tying lesson. Six members are working on their first aid badges with Mrs. Arthur N. Wingen as instructor every Wednesday afternoon in her home.

Pierce School has a troop of Brownies and a troop of Girl Scouts. They meet in the Scout Room at the Community House or at the school regularly, where they learn a lot and have a lot of fun. This type of organized recreation trains fine girls. In these days of rising juvenile delinquency there is plenty of proof that girls who have been trained in the Scouts are best able to battle temptation and keep out of trouble. Scouting prepares girls for life!

There are many more girls in Pierce School who want to become Brownies or Scouts, but they can't join because the troops are full, and there is no one who is willing to lead a new troop.

Who will volunteer to become the leader of these girls? Please, someone, if you have the chance, they want—give them the chance to learn how to become better citizens, give them the chance to have fun.
