

Upholds Future Of Oil Heating

Temporary shortages of fuel oil because of war requirements and wartime transportation difficulties should not be interpreted as a nation-wide fuel shortage...

Saints Be Praised

First baseman Howie Schultz, six-foot-six St. Paul Saint...

RECREATION SPOTLIGHT

By MARY QUINN Did You Know— That Edna Slank managed the art of making lanyard cords so well that she was asked to make one for Mr. Bigelow...

That it was decided to have a picnic today as the final get-together of the season...

That Billy Strunk and Walter Schwank have come out ahead of the others in croquet...

That the boys who played in the semi-final croquet tournament were Tom Maxwell, Richard Murray, Tommy Maxwell, Beverly Kitchen...

That today will find Adams boys and girls having a real time at their closing picnic of the season...

That callball and dodgeball are the group game favorites...

That story-telling time is very popular with the little folks...

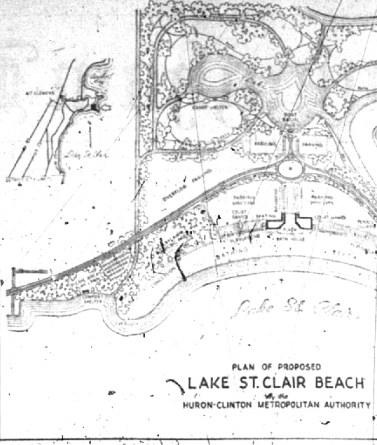

That everyone who saw the ball game last Friday was thrilled at the excitement in the stadium...

That pushing efforts have been made on the croquet field at Adams to do something about the two defeats suffered at the hands of the Barnum whizzes...

That quite a collection has been made recently by Kay Blanchard, the playground supervisor...

That a fat collection is 2,987 pounds...

Collection of household fats was 2,987 pounds during July...

Plan Playground For Detroit People

Plans for the development of a beach, more than a mile in length on Lake St. Clair, have been approved in principle by the Board of Commissioners of the Huron-Clinton Metropolitan Authority...

Lions Club Meets With Don Bell

Members of the Lions Club and their wives were guests of Don Bell at his cottage on Pine Lake...

WAKE UP, AMERICA!

Can Air Attack Alone Defeat Germany?

As debated by William B. Ziff Author of The Gentlemen Talk of Peace?

MR. ZIFF OPENS: It would be silly to argue that a combination of air and ground forces is not more useful in attack than a single arm...

MR. WERNER OPENS: This is the military dilemma facing the Allies: a seven years' war or victory in '43...

MR. ZIFF CHALLENGES: Mr. Werner offers that decision can be gained by a military picture of the war...

MR. WERNER REPLIES: Material destruction is not military victory...

MR. ZIFF REPLIES: The strategy of this war from the Anglo-American side is based primarily on what Mr. Werner refers to as an "over-developed technology"...

Zoning Request Is Turned Down

A proposed change in zoning on Chestnut street to permit the erection of a novel eight-story terrace was rejected by the City Commission...

A telling bit of evidence came from Tom Mills, city engineer, who said that he had investigated prices of lots near the Wimbledon Terrace...

Waller Frost, architect, contended that the terrace idea would supplant the possibility of several other houses each with small yards...

Victory Workers on the Job Are Doing a BETTER War Production Job Because of... AUTOMATIC GAS SERVICE AT HOME Automatic Gas Service cooks the appetizing, energy-packed meals that help them to do a good day's work. Automatic Gas Service supplies continuous hot water for a quick shave or a hot bath at any hour. Automatic Gas Service, after meeting ALL WAR PRODUCTION DEMANDS, has continued to bring to the HOMES of WAR WORKERS the same comfort, convenience and freedom from drudgery that have long been a peacetime service. And it will continue to be available for all ESSENTIAL civilian requirements. But let's not forget for a minute that gas service is vital to war production. DON'T WASTE IT.
