Help him get a line to home

ABOUT the only time he can get to the telephone is a few short hours in the evening. That's when thousands of other boys in the camps want to use long distance, too.

Any time you are not on the lines, there's a better chance for a soldier's call to get through.

So unless it's urgent, we hope you on't be using long distance from to 10 o'clock at night. Save those hours for the service men.
