## Cranbrook News

By ROBERT WILSON

Cranbrook was honored last Saturday evening by the visit of John Mulholland, world famous magician. Performing in the school auditorium before a capacity crowd, Mr. Mulholland amazed the spectators with a wide variety of tricks. Notable was his feat of moving observed cards from one sealed envelope to another, neither of which he handled, a highly mystifying Chinese ring trick, and the disappearance of a bird cage from his hands in full view of the audience.

**New Schedule**  
Announcement was made last week in the Crane, Cranbrook publication of the schedule for the remainder of the school year. Spring vacation will be from March 20 to April 5, one week shorter than originally planned, and commencement proceedings will therefore take place on the fifth rather than the twelfth of June. This will enable many graduating seniors to enter college in the summer session under a specified up educational program.

**Win Championship**  
The Cranbrook Debating team defeated De La Salle Collegiate School to win the Detroit Regional Championship last week, marking the first time in the school's history that a forensic group has attained such an honor. After winning this match, the Cranbrook team, composed of Merrill Hamer and Hugh Neale as the affirmative, and Alva Kounine, Bob Shutes, and Bob Stewart as the negative, went on to defeat Rochester, R. J. Hill, debating coach, announced that the semi-final match will be held here Feb. 26, with Mr. Morris as opponent.
