#### LETTER FROM GREAT LAKES

J. H. MacGregor, son of Mr. and Mrs. J. F. MacGregor, 668 Ann street, wrote to his parents: "I got a 2nd class petty officer rating today. (Two regulation stripes) I am in charge of all sport events and physical exercises that we have. I will form a basketball team on Wednesday. No more guard duty or details for me for the rest of boot training; pretty nice, huh? I am happy as hell. I will send you a picture of me in stripes as soon as I can have one taken.

Now I'm one of the big six officers in my company. There is a prominent petty officer, master at arms, clerk, assistant clerk, and mail clerk in the officers' rank. "These stripes won't mean anything after boot training but we will be the first to be chosen for service schools if we qualify for them. So my worries are practically over. I was surprised when the Chief Petty Officer called me over to the desk. He asked me how old I was and I told him. Then he asked me how far I went in school and then, that he had been watching me in our exercises and asked me if I knew anything about calisthenics and I told him that I had a lot of them in football and then he asked me if I knew anything about basketball. Then he said I was in charge of all sports and exercises that we would have. I have authority over 120 men now instead of the "eyes and ears" of Mr. MacGregor now! I hope I can make any enemies in this position, but there is always some body who won't like what you're doing, but I'm not going to let my authority go to my head and make enemies if I can help it."

MacGregor is in Camp Green Bay, Great Lakes, Ill.
